STAND WITH THOSE WHO SERVE

How Can You Help?

DEMOS

Does your agency have cutting edge equipment, technology that you would like to display or share with fellow LE agencies? Would you or your SWAT team like to create a kid friendly obstacle course or LE related game for the kids?

VENDORS / TABLES

Do you belong to a LE related group such as Family Support, CISM, Retired Officers Groups, or FOP and would like to share your organization? We are also accepting requests for LE related service groups such as Uniform Suppliers, Police Equipment, and Martial Arts Schools.

MUSICAL PERFORMERS

Are you in Law Enforcement and would like to play music during the event?

FOOD & REFRESHMENTS

Would your Guild or Family Support Group like to provide refreshments, food, snacks, etc for attendees?

The Washington State Criminal Justice Training Commission is hosting the event on August 13, 2011

This is a day we celebrate and encourage those who share in both the joys and the challenges of being part of the unique world of law enforcement. Designed for both current law enforcement families as well as those who have lost their loved one who served, this will be an uplifting, positive and totally enjoyable day for family members of any age. We will provide a safe and comfortable environment for law enforcement officers and their family members who want to have a day of celebration and fun to show how proud they are to be a part of such an important and life-changing profession.
