EAST KING COUNTY

Swimming and Water Recreation in East King County

Brought to you by Everyone Swims!

Everyone Swims is a partnership to increase access to swimming and water recreation in Seattle and King County, Washington. Everyone Swims is made possible by funding from the Department of Health and Human Services and Public Health – Seattle & King County.

Swimming is fun and a great way to get exercise. Knowing how to swim is a skill that can help keep you safe. There are many places for children, teens, families and adults to enjoy swimming in King County. There are also places where you can row, sail, canoe or kayak.

The people who work at the pools, boating programs and beaches want to help you find ways to safely enjoy the water. If you need help paying for swimming lessons, ask about scholarships. Many pools also have special times or classes that are lower in cost. In the summer, many of the beaches with life guards offer free swim lessons. The beaches with life guards are most often staffed from June to Labor Day in September. Check your local beach for the life guard schedule and hours.
