RE: Waiver from Standard Procurement Procedures for Tarpomatic Inc

The Department of Natural Resources and Parks is seeking approval of a waiver from standard procurement procedures in order to procure Tarpomatic proprietary parts and services.

Pursuant to King County Code 2.93.070 we request that the above requirement be contracted on a proprietary basis due to the fact that we cannot obtain these parts and services from any other vendor. Please see the attached memo from Tarpomatic Inc regarding their sole dealer status.

Tarpomatic Inc is manufacturer and supplier of Tarpomatic equipment and parts. Therefore they are the only supplier available to the Solid Waste Division. The Solid Waste Division owns Tarpomatic brand equipment, and this equipment is crucial for the operation of the Landfill. Tarpomatic brand proprietary parts and service are required for the repair of the Division's equipment. Alternate or aftermarket parts are not available for Tarpomatic equipment and only Tarpomatic parts and service are used for repairs.

We request this waiver be valid for a five year period. The projected purchase amount for the five year period is $300,000. The Solid Waste Division has verified and will continue to verify each succeeding year, the accuracy of the enclosed documentation.

If you have any questions or need additional information, please contact Brian Pinney, Inventory Purchasing Specialist III, at 206-263-1067, or mail stop KSC-NR-0701.

Tarpomatic Inc.

November 13, 2015

Please consider this letter to be a letter of Sole Source for the Tarpomatic Automatic Tarping Machine (ATM).

Tarpomatic, Inc. is the manufacturer of a tarping machine for deploying and retrieving flexible sheeting (tarps) made in varying lengths and widths. This machine is known as the Tarpomatic ATM.

It is necessary to purchase the tarp lay out and take up equipment machine (ATM), replacement tarps, ancillary equipment (remote control, ATM parts etc.) from Tarpomatic Inc., as a sole source, since they are the only manufacturer of the equipment.

If you have any questions, or need any further assistance in this matter, please do not hesitate to call our offices toll free at the number listed below. I may be reached directly at (800) 500-5069

Best regards,

Request for Waiver 2015-251 – Summary

December 8, 2015

Department of Natural Resources and Parks, Solid Waste Division is seeking approval of a waiver based on the fact that the agency cannot obtain these items or services from any other vendor. This request is for the waiver to be valid for a five year period. The projected purchase amount for the five year period is $300,000 dollars.

History

Per the attached letter from Tarpomatic Inc., they are the only manufacturer and supplier of Tarpomatic parts and services. The Solid Waste Division owns Tarpomatic brand equipment, and this equipment is crucial for the operation of the Landfill. Tarpomatic brand proprietary parts and service are required for the repair of the Division's equipment.

Competition

Buyer has conducted online research and confirmed that Tarpomatic Inc. is the only vendor able to supply the equipment.

Cooperative Agreements

Buyer has investigated the available cooperative agreements and finds no piggyback opportunities.

Recommendation

Buyer recommends this request is approved as a sole source.
