King County METRO
Moving forward together

North Link Connections Mobility Project

New Route 16 Express
Replacing Route 5 Express

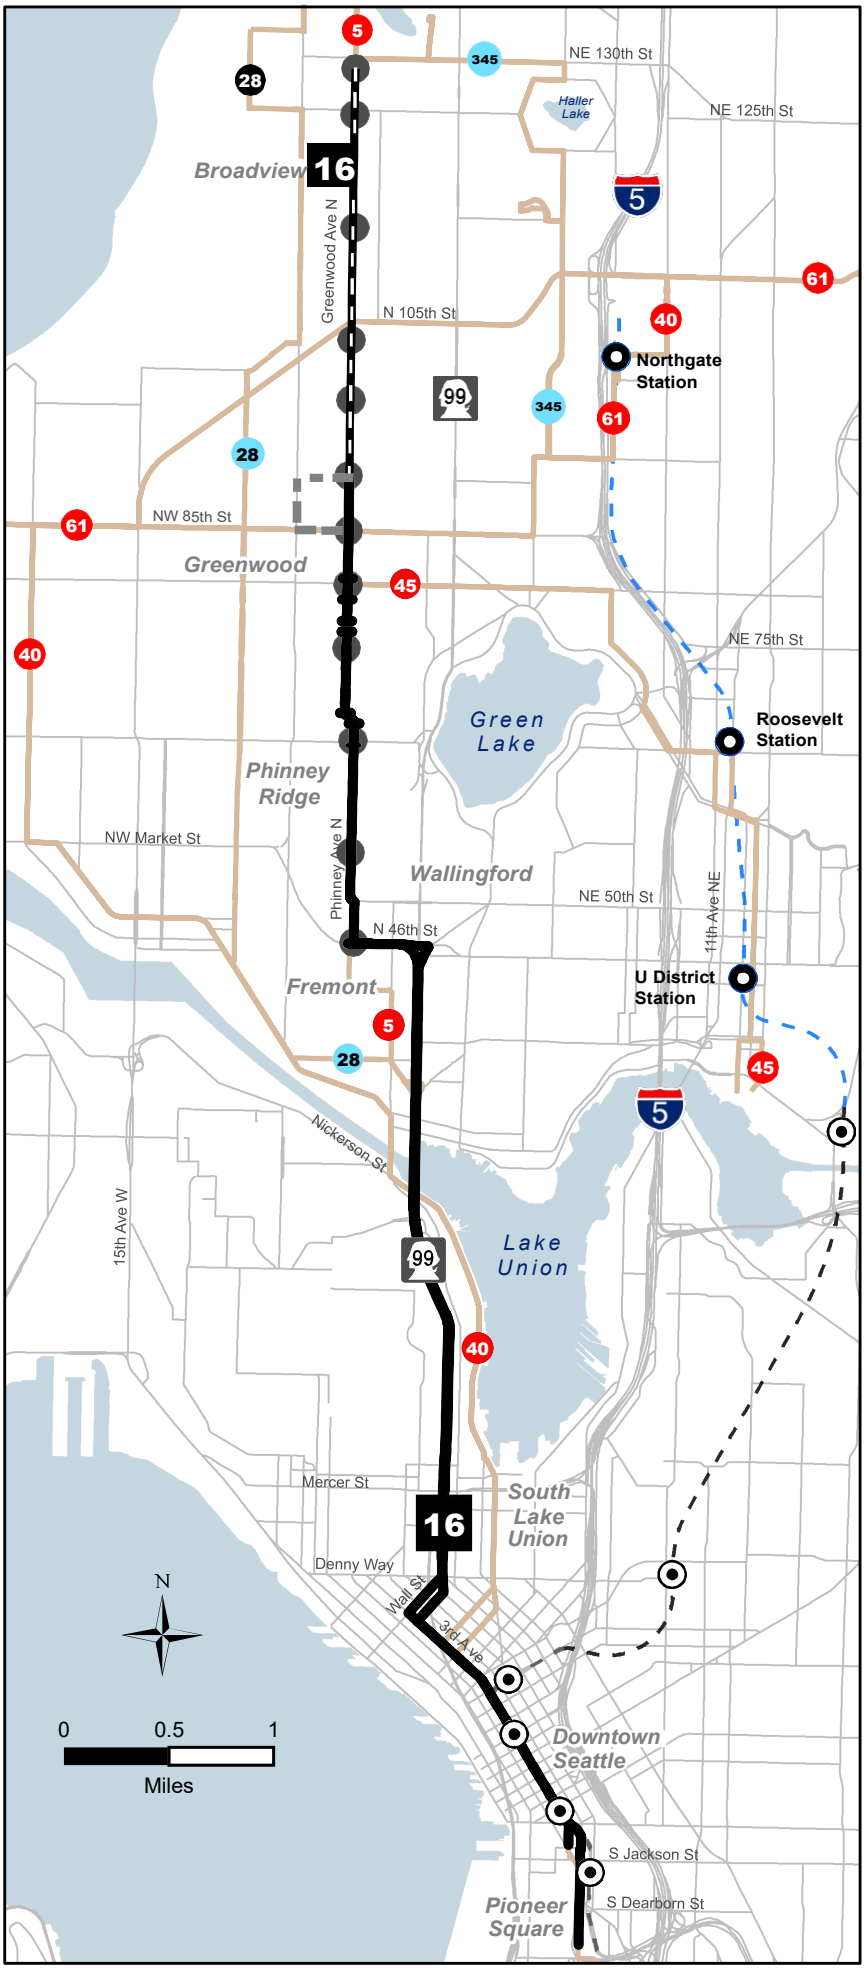
Neighborhoods Served:
- Greenwood, Phinney Ridge, South Lake Union, Downtown Seattle

Summary of Proposed Changes:
- Extend most trips to begin/end at North 130th Street.
- Continue to maintain staggering of trips with Route 5 Local.
- Provide limited stop operation over the entire length of Greenwood Av N.

Why is this change being proposed?
- To replace Route 355 north of North 85th Street.

How often the bus would come:
- **Service Level: Peak**
- **Days of Operation**: **Weekdays**

How does this respond to feedback Metro received in Phase 1?
- Improves connections to South Lake Union
- Simplify the design of service



New Peak Route 16 (replaces route 5X)

16 Routing (same as the replaced 5X)

16 Routing (new routing compared to the replaced route 5X
