## Wishing you and your family a happy holiday season!

Dear Neighbor,

Even as we look forward to 2011, economic hardship haunts our country, state, and region. We all suffer during a deep recession, but it's society's most vulnerable that see the worst of it. In this season of giving, I encourage you to consider making a donation to an organization that provides services to those in need. On the back of this card, you'll find a few organizations that work hard to improve the lives of the less fortunate. I also recommend considering making a food donation to your local Eastside food bank. As government cuts back, it's our duty as citizens to stand up and fill the void. Together, we can make a difference.
