

## 7/25/2011 - Status of Comments

### Issue: Congestion Reduction Charge (CRC) v. Transit Reduction

A total of 954 people attended the four public hearings on the Congestion Reduction Charge. As of the close of public testimony on July 25th, we have received 4,919 comments via the Council's website and at the 7/6, 7/12, 7/21 and 7/25 public hearings. Staff has reviewed these responses and categorized them as follows:

Comment	# of Comments
For the CRC w/ no preference of how adopted	940
For the CRC-Councilmanic	2,637
For the CRC-Vote of the people	81
Opposed to the CRC	264
Opposed to the CRC, but put it to a vote of the people	5
Other comments - support current level of service and/or save specific bus routes	837
Other comments-proposing other funding mechanisms	155
Total	4,919

#### Notes:

1. Does not include responses received in individual Council Offices
2. Does not reflect any citizen surveys/petitions
3. For the 7/12 and 7/25 meeting the #s reflect the notations made by persons that responded to the question asking the person's position; the "other" number reflects the no position indicated
4. 1586 individual comments in support of Councilmanic action on the CRC were submitted in hard copy by Futurewise due to technical difficulties submitting to the Council's electronic comment box
5. 524 responses received by KCDOT are included (and appropriately distributed) in these totals
6. Includes 64 comments from Access customers who could not attend the 7/21 public meeting and left comments with Access customer service
