

KBFI Airport Advisory

To: King County International Airport
Subject: 14R Glide Slope Maintenance Postponed
Date: September 13, 2017

Due to the Federal Aviation Administration's Flight Inspection organization requirement to divert assets in support of system restoration in the wake of Hurricanes Harvey and Irma, the previously scheduled maintenance on the Glide Slope Antenna serving Runway 14R beginning 18 September has been postponed until at least mid-October.

As we receive further information from the FAA, we will keep our tenants informed of any developments or schedules regarding ILS equipment outages or runway closures.

Please contact Airport Operations at 206-296-7334 with questions.
