Important Points for Jobseekers:

• **ADMISSION IS FREE.**

- Dress to Impress! This is essentially your first interview. Please wear business attire.
- Bring 20-30 copies of your resume.
- Come early. Have a positive attitude, smile, and show enthusiasm! Walk up to each company, introduce yourself, shake their hand, give them a resume and tell them about yourself. These people want to meet you! Tell them about your success at your current or last job; describe your job duties and how you can help them. Explain your interest in the company to the representatives you have the opportunity to meet.
- Research companies attending on Google.com. You'll increase your chances of making an impression with your knowledge of both the companies attending and the jobs they have available.
