☒ On-Site ☐ Interview ☐ Representative

JOB DUTIES:

This is the third (supervisor) level in a three-level Painter classification series and is distinguished from the second level in that incumbents are responsible for planning and supervising a crew painting both interior and exterior areas and equipment.

ESSENTIAL FUNCTIONS ACCORDING TO THE EMPLOYER:

All King County jobs require ability/essential function to:

- Demonstrate predictable, reliable, and timely attendance.
- Follow written and verbal directions to complete assigned tasks on schedule.
- Read, write, and communicate in English & understand basic math.
- Learn from directions, observations, and mistakes and apply procedures using good judgment.
- Work independently or as part of a team and interact appropriately with others.

Job Specific Requirements:

- Model best practices in supervising skilled/semi-skilled journey-level painters on a variety of duties including painting and finishing interior and exterior surfaces:
 - Plan, organize, schedule and coordinate daily work activities of assigned work unit; prepare work schedules and staffing plans; evaluate and monitor work quality and quantity;
 - Provide input and/or prepare performance feedback for subordinates; investigate and address performance and conduct issues in a timely and appropriate manner. May participate in discussions regarding disciplinary actions with higher level supervisor.
 - Monitor for safety hazards and unsafe personnel practices; recommend corrective actions as appropriate;
 - Foster a model of every employee being accountable for high-quality service delivery.
- Maintain accurate personnel, building and vendor files, and records on projects. Monitor and track material and labor expenditures. Receive and respond to correspondence. Organize and assemble project owner equipment manuals;
- Interpret existing conditions, plans, layouts, color specifications and drawings in relationship to client's objectives and current codes. Translate concepts into visual systems and components using illustrations for estimating construction;
- Develop strategies and solutions for new installations and existing systems. Perform analysis and

troubleshoot problems;

- Estimate material and labor, equipment rental charges, permit fees and subcontractor costs for various disciplines within pre-determined project scope. Procure necessary tools, parts and materials for projects;
- Review project specifications and drawings for material standards and constructability. Determine sequence of tasks; coordinate and schedule tasks with clients and other crafts and contractors;
- Perform the duties of a Painter I as needed; and
- Perform other duties as assigned.

EXPERIENCE, QUALIFICATIONS, KNOWLEDGE, SKILLS:

MINIMUM QUALIFICATIONS:

- Completion of a verifiable apprenticeship program or equivalent program and at least three years of paid experience as a journey-level painter;
- Proven ability and at least one year experience to effectively manage employees within the painter trade or similar trades by supervising, coaching, supporting, and empowering employees;
- Ability to make employees accountable for high-quality service delivery.
- Thorough knowledge of the methods, practices, occupational hazards, materials and tools of the painter trade,
- Experience and knowledge of the basic principles of supervision and organization,
- Knowledge of paints, varnishes, enamels, paint removers, and their properties and application;
- Knowledge of designing, creating, installing signage and using a computer signage system;
- Ability to use, computer programs including email, Outlook, Word and work order systems,
- Ability to clearly communicate orally and in writing,
- Skill in planning, layout, training, and directing the work of painters,
- Skill in selecting proper materials, mixing and matching paints and applying paints and other finishes, brushes, rollers or spray guns,
- Skill in preparing time and material estimates;
- Must have the ability to perform physically demanding tasks including bending, kneeling, standing, reaching, climbing, stooping, squatting, and twisting on a regular basis

NECESSARY SPECIAL QUALIFICATIONS:

Washington State Driver's License
