Employee Benefit Information

Complete information regarding these insurance plans is available from Benefit and Retirement Operations at 206-684-1556 or www.kingcounty.gov/employees/benefits.

Continuation of Health and Insurance Benefits for Regular and Term-Limited Temporary Employees. Any employee eligible for leave and insured benefits who upon demand by the United States government leaves his or her position with the county either to determine his or her physical fitness to enter or to actually enter upon active duty or training in the Washington National Guard, the United States armed forces or the United States Public Health Service shall receive medical, dental, vision and basic life benefits for the time period commencing with the beginning of an employee's military leave of absence and continuing until active duty has been completed, but not beyond 12 months for basic life benefits. Employees shall continue to receive the medical, dental, vision and basic life benefits that they received prior to leaving work for military activation.

Insurance Payment Details. "Insured benefits" do not include supplemental life insurance, basic and supplemental accidental death and dismemberment (AD&D) insurance or basic and supplemental long-term disability (LTD) insurance. Employees may self-pay to continue supplemental life insurance for up to 12 months from when they leave work for military activation. Employees may also self-pay to continue basic and supplemental AD&D for up to six months and basic and supplemental LTD for up to 18 weeks from when they leave work for military activation or training. Employees must self-pay their own insurance to continue coverage for eligibly enrolled dependents.

No benefits are paid for an accident that occurs after an employee has been on full-time military duty more than 30 days or for death or injury resulting from declared or undeclared acts of war unless the accident occurs when the employee is not on duty.

Insured Benefits for Local 587 Employees in the Partial and Full Benefits Plans. Under the Partial Benefits Plan, the employee may purchase medical, dental and vision coverage for the employee and eligible dependents (the employee's medical, dental and vision coverage is partially subsidized by the county). If the employee elects medical coverage, the employee receives fully paid basic life, basic accidental death and dismemberment (AD&D) and basic long-term disability (LTD) insurance. The employee may purchase supplemental life and supplemental AD&D for the employee and eligible dependents and supplemental LTD for the employee.

Under the Full Benefits Plan, the employee receives county-paid medical, dental and vision coverage for the employee and eligible dependents the employee enrolls, plus basic life, basic AD&D and basic LTD insurance for the employee. The employee may self-pay to continue supplemental life, supplemental AD&D and supplemental LTD the employee had under the Partial Benefits Plan. If the employee did not elect supplemental life, supplemental AD&D and supplemental LTD under the Partial Benefits Plan, the employee may elect supplemental AD&D when enrolling in the Full Benefits Plan, but must wait to add:

- supplemental life after a qualifying life event occurs or the employee qualifies as a full-time transit operator; or
- supplemental LTD after the employee qualifies as a full-time transit operator.

Dependent Care and Health Care Flexible Spending Accounts. Participation in a dependent care and/or health care flexible spending account discontinues while the employee is on active military duty or training leave. When the employee returns to active employment within the same FSA plan year, the account may be reactivated upon notice to Benefits, Payroll and Retirement Operations (206-684-1556).

Employee Assistance Program. The Employee Assistance Program (EAP) and Making Life Easier program can provide the returning employee and the employee's immediate family with support in a number of areas free of charge. All information discussed with an EAP or MLE counselor is confidential and can be disclosed only with your permission or as required by law or county policy. For help resolving work-related problems, call an EAP counselor at 206-684-2103 or 206-263-4572. Making Life Easier (MLE) is a benefit provided to benefit-eligible county employees, their dependent family members and anyone living in the employee's household. MLE provides assistance with counseling, financial and legal matters, child care, adult and elder care as well as home ownership services. Call 1-888-874-7290 anytime or read more information at <http://your.kingcounty.gov/employees/eap/default.aspx>.

Washington State Department of Retirement Systems, Social Security, Industrial Insurance and Payroll Deductions. If an employee is engaged in annual active training and receives pay from King County, both retirement system and industrial insurance deductions are taken. If an employee is on active military leave and receives supplemental pay, deductions for the retirement system, Social Security and industrial insurance are not made. Supplemental pay received from King County is considered income and is taxable. The employee may purchase/request retirement service credits from the Department of Retirement Systems on returning to employment with King County. Call 1-800-547-6657 anytime or read more information on the DRS Web site at: <http://www.drs.wa.gov>.

Payroll Direct Deposit and Deductions. All employees on paid military leave are encouraged to enroll in direct deposit through a Payroll Direct Deposit Authorization Agreement (available at Outlook Public Folders/Finance/Payroll/ Forms/Auto Deposit Form or <http://financeweb/finance/payroll/forms/PayrollDirectDeposit.pdf> or from your Military Leave Coordinator). If an employee chooses not to enroll in direct deposit, paychecks will be held in Central Payroll Operations until the employee's return to work. The following payroll deductions continue as funds allow: child support, garnishments or IRS levies, and union dues. Voluntary deductions, such as charitable giving or savings bonds, are suspended until the employee returns to work.

Personal Holidays. Personal holidays are granted as if the employee were still working (one in the first paycheck of October and one in the first paycheck of November).

Vacation and Sick Leave. Employees who were members of the reserves of a branch of the uniformed services on or before September 11, 2001, will accrue sick, vacation or holiday time while on active duty; all county employees entitled to up to 21 days of military leave will accrue sick, vacation and holiday time while on such leave.
