 **King County**
Elections

From the Director

Dear Friends,

Democracy is not a spectator sport. It takes all of us on the field to build the community, region, and country we want to live in. It takes each of us using the tools that we have available to make a difference. Voting is just one tool we can use to influence the future of our community, and it's an important one.

While voting is not a cure-all to every challenge we face, it does have a profound impact on the decisions that get made in local government - every single day. Decisions about our schools and parks, roads and transit, libraries and childcare. Decisions about how our tax dollars are spent and prioritized. These local elections have an incredible impact on our day-to-day lives.

We are not all always going to agree on everything. That's okay. What matters is that we speak up and turn out. What matters is that you take a few minutes to fill out your ballot, sign it, and return it by mail or by drop box - no stamp needed.

Make your selections. Make yourself heard. Make a difference.

Happy voting,

Julie Wise

Voting tips

Fill out your ballot

You can use any color of pen to complete your ballot. You do not have to vote in every race to have your votes counted. Make selections in the contests you'd like and you can skip those that you're unsure about.

Sign your envelope

Don't forget to sign the back of your return envelope so your ballot can be counted!

Return your ballot early

Whether returning your ballot by mail or by drop box, don't wait until Election Day! Get your ballot back early.

If returning by drop box, there are more than 70 locations available across the county. You'll find the full list on pages 8-9 of this pamphlet. Drop boxes close promptly at 8 p.m. on Election Day, November 2.

If returning by mail, your ballot must be postmarked by Election Day, November 2. No stamp is needed.

Public Health Notice

As part of the continued effort to stop the spread of CoVID-19 in our community, King County Elections recommends registering to vote, updating your registration, and accessing your ballot online whenever needed.

We will have Vote Centers open for those who need in person assistance. Face masks that cover both nose and mouth are required, regardless of vaccination status.

Did you know that you can access your ballot online?

Lost and damaged ballots happen. There's an easy way to access and print your ballot right from home!

Visit kingcounty.gov/elections/obmp and enter the required information to access your ballot.

1. Make your selections on the computer or print out a blank ballot and fill it in by hand. If you choose to make your selections online, please double check those selections before and after printing your ballot.
2. When printing, make sure to select the 'fit to page' option to ensure the entire length of the ballot prints.
3. Return via mail or secure drop box, just like you normally would. No postage is required if using the included envelope cover sheet.

Any registered voter can use the online ballot marking program to access and print their ballot.

Voters with disabilities can mark their choices on the ballot online. The online ballot marking program has been designed specifically to enable voters who are blind or have low vision to cast a private ballot.

Other voting options

If one of the above options doesn't work for you, please contact our office for further assistance.

Student Engagement Hubs

Never miss an election just because you're away from home! All public universities in Washington now offer student engagement hubs.

For more detailed information on location and hours, please visit kingcounty.gov/elections.

University of Washington Bothell Campus

Any student registered to vote can use the online ballot marking program to access and print their ballot. Students can also drop their ballot off during hours of operation.

University of Washington Seattle Campus

Located in the Husky Union Building (HUB), the UW Seattle Student Engagement Hub will provide students an opportunity to get registered for the first time, update their registration, receive a replacement ballot, or use an assistive device. Elections staff will be on hand to answer questions and assist students as needed.

Who can register

To register to vote in Washington, you must be:

- A citizen of the United States;
- A legal resident of Washington State;
- At least 18 years old by Election Day;
- Not disqualified from voting due to a court order; and
- Not under Department of Corrections supervision for a Washington State felony conviction.

How to register to vote

Online

You can register to vote online at VoteWA.gov – all you need is two minutes and a Washington State Driver's License or ID. You can register online by October 25 for the General election.

By mail

Download and print a registration form from kingcounty.gov/elections and mail it to our office (address on page 4). It must be received by October 25 for the General election.

In person

You can register in person through November 2, Election Day, at one of our Vote Centers. More information about Vote Center hours and locations can be found on page 4 and on our website at kingcounty.gov/elections.

Pre-register to vote

16- and 17-year-olds can pre-register to vote!

16- and 17-year-olds can pre-register to vote online or by mail at any time. Their registration will be assigned a 'pending' status until they turn 18. If the registrant turns 18 before the next scheduled Election Day, they will automatically be mailed a ballot at their registered address.

Keep your voter registration current

Update your registration if you have moved or changed your name. Simply update your information online at VoteWA.gov or submit a new paper registration form by October 25 for the General election or visit us in person at one of our Vote Centers. If your signature has changed, please submit a new paper registration by October 25 or come see us in person – updates to signatures may not be done online.

Return your ballot by mail. **No Stamp Needed!**

We recommend dropping your ballot in the mail by the Friday before Election Day to make sure it gets postmarked in time to be counted.

Mailed ballots must be postmarked by November 2.

The drop box at Kentridge High School has moved!

To ensure 24-hour access, this drop box has permanently moved to Kent Panther Lake Library located at 20500 108th Ave SE, Kent, WA 98031.

Return your ballot at a drop box. **Over 70 locations!**

Ballot drop boxes are open until 8 p.m. sharp on November 2.

List of drop box locations on next page

Ballot drop boxes are open 24 hours a day beginning October 14 and close at 8 p.m. sharp on Election Day, November 2.

King County Elections – Securing Our Elections So Every Vote Counts

At King County Elections, our top priority is ensuring that our elections are secure, accessible, and accurate. We know that secure elections are essential to maintain public trust, protect our democracy, and enable our voters to cast a private, confidential choice with their vote.

Physical Security

The King County Elections Headquarters was designed and renovated specifically for processing vote-by-mail ballots and keeping those ballots secure. Director Julie Wise was the first election administrator in the country to request an audit of physical security by the Department of Homeland Security in 2017.

What we're doing:

- Our facility is monitored by over 50 security cameras
- Six live webcams through which the public can watch us at work during the ballot processing period
- Staff and observers must badge into and out of the ballot processing area
- Ballot storage and tabulation areas require both a badge and biometric access

Cybersecurity

In our rapidly changing world, cybersecurity is paramount to protecting our elections. Previous years have seen attempts to tamper with election systems across the country. None of these attempts have been successful here in King County and every day, our team works to make the walls higher and barriers stronger for those looking to influence our elections.

Following the 2016 election, Director Julie Wise requested a review of the department's cybersecurity from the Washington State Auditor's Cybersecurity Team to identify and implement practices and procedures to bolster security of our systems and electronic access points.

What we're doing:

- Employ cybersecurity staff based in Elections and at King County
- All staff receive annual cybersecurity training
- Voter registration and tabulation systems are kept separate for maximum security
- Tabulation system is on an entirely closed network, not connected to the internet
- Correspondence and attachments are monitored and scanned 24/7/365 for threats and attempts to breach our systems

How does my ballot get processed?

Envelopes are scanned, pictures of the signature captured, and marked as 'received.'

Signatures are checked against voter registration records by trained specialists. If the signature is missing or doesn't match, voters are mailed a letter to fix the issue. This form must be returned with a matching signature for the ballot to move forward in the process.

If the signature matches, envelopes are opened and security sleeves are removed.

Staff remove ballot from security sleeve and reviewed for potential scanning issues.

Ballots are scanned, prepared for tabulation and securely stored for the retention period.

Ballots continue to be processed and tabulated, and signature issues continue to be corrected, until certification.

Your signature matters.

Each election, about 1% of ballots are returned either without a signature or with a signature that doesn't quite match. Don't let that be you.

Here are a few tips to help make sure your signature passes the check and your ballot gets counted:

- If you register online, we pull your signature from the Dept. of Licensing, so check the signature on your driver's license or state ID and try to match that as closely as you can.
- Your signature does not need to be written in cursive or nicely or even legibly, it just needs to match the one that we already have on file. If you have a chicken scratch signature, that's okay! Just make sure you scratch it out the same way each time you vote.
- If you have no idea what signature you might have used or it's been a while and your signature has changed, you can always update your signature simply by returning a paper voter registration form. You can download a paper registration form at bit.ly/WAVoteRF. Returning a paper registration form will add your updated signature to your file.
- Track your ballot to ensure that it gets counted. If there's an issue with your signature, you'll see it there on the online ballot tracker. You'll find the ballot tracker on our My Voter Information tool at kingcounty.gov/elections.

If there is an issue with your signature not matching or if you just plain forgot to sign, we will send you a letter and, if we have it, we'll reach out by email and phone as well. To make sure your ballot is counted, you'll need to fill out and return a simple form before 4:30 p.m. on November 22.

If you have questions about signature challenges or how to fix yours, please call us at 206-205-5686.

Dow Constantine

 info@dowconstantine.com
 dowconstantine.com

Education: University of Washington: BA, MA Urban Planning, Law; West Seattle High School

Occupation: King County Executive; former Councilmember, Senator, Representative; Attorney; Planner

Statement: When COVID-19 arrived here, I took decisive action and led with science, saving thousands of lives. The New York Times reported that had America followed our lead “the nation could have avoided more than 300,000 coronavirus deaths.” Today, King County has the highest vaccination rate among large counties nationwide. *As we continue battling this stubborn pandemic, I’m bringing that same clarity and resolve to the toughest challenges—homelessness, public safety, climate action, and uniting our region for an economic recovery where everyone can thrive.*

We are taking bold action on homelessness, purchasing hundreds of hotel rooms and moving hundreds of chronically homeless people off the streets this year, with the services to restore lives. Through Best Starts for Kids, we’ve kept 10,000 children and families safely housed. This crisis, worsened by the pandemic, requires proven ability to drive actual change.

We’re improving public safety—and public trust: Gun violence prevention, aid to victims of domestic violence, and community collaboration improving safety and appointing a new sheriff. We’re helping kids stay in school, graduate, and avoid the criminal legal system—driving down youth detention nearly 10-fold.

Urgent action on climate—I’ve led regional light rail expansion, made Metro the Best Large Transit Agency in North America (2018), and launched conversion to all-electric buses. We’ve protected miles of forests, farmlands, and shorelines; and planted over one million trees.

Progressive, visionary leadership—that’s why I’m endorsed by Governors Inslee, Gregoire, and Locke; 40 Democratic legislators; Planned Parenthood; Washington Conservation Voters; Alliance for Gun Responsibility; MLK Labor; SEIU; UFCW; Nurses, Firefighters, and Building Trades unions; the Seattle Times; and diverse community leadership. My parents—retired public school teachers—taught me values of service and community. Shirley and I are raising our daughter in the same West Seattle neighborhood where I grew up.

Education: Bachelor’s in Finance/Humanities, Seattle University; Kennedy High School in Burien

Occupation: State Senator, 34th Legislative District & Senior Program Manager, Microsoft

Statement: After 12 years of current leadership failing to solve our biggest problems like homelessness, it’s time for change. As we recover from this pandemic, we need an Executive who understands how hard working families in King County have struggled to make ends meet – even before this crisis. I’m the son of refugees from White Center, and worked as a janitor at my own high school. Despite great adversity, I built a successful career in the private sector and now I represent my community in the State Senate.

We can build a brighter future for every family in King County. We can build a community where everyone has a safe place to call home, every senior can age in place with dignity, and every parent can provide for their kids. We can achieve all of this, if we have an Executive who will act with the urgency needed to actually solve problems.

For years, the communities I grew up in haven’t gotten the same investments to support working people that made my success possible. As a result, residents of South King County got sick and died from COVID-19 at twice the rate of those in other parts of the county. Those deaths were preventable, if County leadership had prioritized every community’s safety.

The pandemic wasn’t the first crisis where our current leadership neglected working families who have been pushed out of their neighborhoods. The status quo has given us 12 years of unaffordable housing, longer commutes, inaction on climate change, and worsening gun violence in our communities. We need bold solutions implemented with transparency and accountability, and I have the private and public sector experience to get things done.

Endorsements: State Treasurer Mike Pellicciotti and other elected leaders, ATU 587, IUPAT DC 5, UAW 4121 and local Democratic Party organizations.

Kathy@kathylambert.com

kathylambert.com

Education: University of Washington, BA Business Education; Teacher Certification; College of Marin, AA; Public Policy Certification

Occupation: King County Councilmember, former State Representative, former elementary school teacher

Statement: Kathy has a proven record of serving the people and businesses of District 3, our county's largest district. She has the experience needed to continue providing these important local and regional services.

She is dedicated to both law enforcement and improving community relationships. This is vital as our Sheriff's office transitions to an appointed position. Our police officers must have the resources and training they need to *serve and protect our communities*.

To help with COVID recovery, Kathy supported the distribution of \$1.1 billion in federal grants to our small businesses and communities, as well as providing our neighbors with supplies to help fight the pandemic.

Kathy sponsored and helped establish the Department of Local Services, providing unincorporated areas of our district with similar resources as those living in cities. Her experience with law and justice issues has guided Kathy in developing programs that *reduce recidivism and help people get their lives back on track*. She has established multiple programs to help youth in crisis, such as FIRS, TRACE, and Safe Place. Her leadership with the Community Court Program began as a pilot in our district and *its success has led to adoption throughout the county*.

Her financial expertise helps our county maintain its AAA credit rating, saving taxpayer money. Kathy serves on the Flood Control District that develops plans and builds projects to reduce flooding and deliver habitat restoration. She has also led the update of King County's emergency preparedness plans. Kathy has the experience and dedication we need representing all of us on the King County Council. *Please vote for Kathy Lambert! Endorsed: The Seattle Times, Puget Sound Police Managers Association, Amalgamated Transit Union Local 587, Affordable Housing Council, Eastside Business Alliance, State Representative JT Wilcox, Former Attorney General Rob McKenna, Former Councilmember Larry Gossett, and many more.*

Education: Attended Seattle University, Ohio State studied transformational leadership, political science

Occupation: Small business owner, nonprofit executive, consultant; Not a career politician.

Statement: After 20 years of the same representation, it's time for new leadership. Sarah Perry is the regional leader we need to address our toughest challenges with urgency, transparency, and accountability. She will collaborate for meaningful progress on homelessness, transit and the environment, will remove barriers for recovering small businesses, and help displaced workers in a changing economy.

Sarah brings a demonstrated record of effective, hands-on local leadership building transitional housing to serve Eastside families, investing in community nonprofits that improve and enrich our lives, and advocating for survivors of domestic violence. She will be a strong voice for safe communities through investments in mental health services, gun violence prevention, and reforms at the Sheriff's Office that protect the safety of every neighbor.

Endorsed by leading environmental organizations, including Sierra Club and Washington Conservation Voters, Sarah will protect open spaces, forests, rivers and watersheds, and safeguard our rural communities and local farms.

With our communities on the front lines of the worst fire season in the climate crisis, Sarah will demand action to protect our health and future. That's why she's endorsed by our Eastside & Redmond Firefighters.

A transit champion, Sarah will expand transit alternatives and connections, including shuttles to Redmond's new Light Rail and Metro bus service on the I-90 corridor. She will also address urgent upgrade and maintenance needs of our rural roads and bridges - a leadership failure endangering our safety. *Earned Endorsements: Congresswomen Kim Schrier & Suzan DelBene; Governor Jay Inslee; Attorney General Bob Ferguson; Lands Commissioner Hilary Franz; County Executive Dow Constantine; County Councilmember Claudia Balducci; State Senators Dhingra & Kuderer; State Representatives Goodman, Thai & Callan; Joe Cohen; Nurses (SEIU 1199NW), Home Care Workers (SEIU 775); MLK Labor; Emily's List; Planned Parenthood; Alliance for Gun Responsibility; 5th, 41st & 45th District Democrats; & more!*

Education: MBA Accounting, University of Michigan; BS Natural Sciences/Mathematics, Washington & Lee University

Occupation: Executive Recruiter, CLEAR-Consulting.Biz; Former Alaska Airlines Manager of Finance

Statement: King County residents founded the Port of Seattle in 1911 and it is still supported by your taxes today. I plan to lead with bold actions and big ideas like designating a portion of Port profits to eliminating Port-related pollution while mitigating environmental injustices in the Port's neighboring communities. This ensures that the Port adds to the health and quality of life in our region.

CLEAR-Consulting.Biz, my executive search firm, helps Puget Sound social profits diversify their leadership teams and as a Port Commissioner, I'll use my career skills to bring leaders together from neighboring counties and state levels to create more Green projects, invest in infrastructure that connects our regions, and do more business with diverse, environmentally friendly companies. I bring experience managing maintenance contracts for engine repairs, planning new routes, controlling costs, and building airline partnerships at Alaska Airlines, Northwest Airlines, and Continental Airlines. My past work as a healthcare strategy consultant for Blue Cross/Blue Shield and as an environmental scientist assessing commercial properties for environmental hazards means I would be the only Port Commissioner to bring institutional knowledge on day one from aviation, healthcare, and the environmental sectors.

SeaTac International Airport represents 70% - 80% of all Port of Seattle operations and is its greatest asset. Removing pollution from the supply chain of air travel is imperative if we want to continue to enjoy convenient international and domestic air service. We must also provide good union living wage jobs for our workers in the airport, fishing, and shipping industries.

I am proudly endorsed by the 34th Legislative District Democrats (Burien, Vashon Island, West Seattle, White Center).

Education: M.A. International Relations, Yale University; B.A., Willamette University

Occupation: Small business consultant; Nonprofit professional supporting women and minority-owned businesses

Statement: As your Port Commissioner, it's my honor to create living wage careers, support workers and small businesses, and advance the Port's actions to defeat climate change. I'm running for re-election to continue these efforts to build a Port aligned with our communities' forward-thinking priorities and values.

Recovering from COVID, the Port must serve as an engine for job creation. That's why I've fought to keep projects on schedule despite the pandemic, driving job growth and improving infrastructure that supports local businesses. Leveraging relationships with state and federal partners, I'm pushing for critical new projects, so our airport and seaport remain world class, competitive with the rest of the nation – and the world.

Drawing on my experience as a small business owner, *we're strengthening and creating new career and entrepreneurial pathways.* Apprenticeships, workforce training, Maritime High School, and business development are cornerstones for continued growth. Coupled with equity-driven programs for underrepresented communities, we're ensuring everyone has the opportunity to thrive and prosper.

I first ran for this office to accelerate our actions to address climate change. *I'm proud to have led efforts to make our Port the nation's most environmentally sustainable.* We'll continue our truly innovative approach in sustainable aviation fuels and complete decarbonization of the Seattle central waterfront, while driving more bold action to meet the scale of the climate crisis. The Port can serve as a global hub of the green economy, creating new industries and employment.

My endorsements show my proven commitment to working with others to achieve results. *King County Democrats; National Organization for Women; Sierra Club; Washington Conservation Voters; MLK Labor and unions representing firefighters, nurses, essential workers; Congressmembers Jayapal and Smith; Attorney General Ferguson; Treasurer Pellicciotti; Executive Constantine; over 20 King County legislators; local elected officials; and many more!*

Education: Masters of Business Administration, Seattle University; Bachelor of Science, University of Idaho

Occupation: Executive Director, Washington ABC, a non-profit economic empowerment agency

Statement: Voters have a clear choice this election about our Port and region's future.

The Port is critical to our economy. Thousands of middle-class jobs and small businesses depend on the essential services provided by our international airport and seaport. We need *experienced, collaborative Commissioners* focused on keeping the Port efficient, competitive and accountable.

I've dedicated my service on the Commission to ensuring our public port *creates and supports quality jobs countywide*, while mitigating its impacts on disproportionately affected communities and the environment.

My work has resulted in: *keeping cargo and jobs in our region* by creating a historic partnership with the Port of Tacoma; *new opportunities for small, locally-owned and diverse businesses* to operate at Sea-Tac; *expanding apprenticeships and workforce training* in Port-related industries, and *unprecedented investments to reduce harmful impacts on our air, water and quality of life* by cleaning up stormwater, port trucks and electrifying port operations.

Some seek the Port Commission as a platform for political activism. By contrast, I have a track record of turning King County's values into actions: *making the Port a national leader in addressing climate impacts* affecting us all, focusing on carbon reduction, sequestration and energy efficiency; *creating green jobs of the future* by supporting innovative local businesses, and using the Port's resources to *lift up communities and residents throughout King County*. Let's keep the Port working for all of us. Commissioners should represent all residents, not a specific interest group or a political agenda. I'm proud to have the support of local leaders who understand the Port's essential role: Governors Chris Gregoire and Gary Locke; the Maritime Unions and King County Building Trades; Seattle Firefighters, airport workers, environmental leaders, and elected officials state and countywide. I'd be honored to continue bringing my values, knowledge, and experience to work on your behalf.

Education: University of Washington: BA, MA Policy Studies; Harvard Business School Certificate in Global Business

Occupation: Policy Advisor: County Executive; Former Deputy District Director: Congresswoman Jayapal

Statement: As we recover from COVID-19, we must rethink our Port's policies and promote transparency, accountability, and public participation. My father was a trucker and my mother was a Sea-Tac airport worker, and I know firsthand how important it is that working families are protected. At the King County Executive Office, I advise on the County's \$12 billion budget and manage initiatives that invest millions in small businesses, community organizations, and COVID-19 response. I have served on multiple nonprofit boards and as a regional Organizing Director for President Biden's campaign. I have the skills, relationships, and expertise in economic development to achieve real results for communities in and around the Port.

Economic Recovery: I will work to establish re-entry programs for COVID-19-impacted workers, and establish the first Small Business Recovery Taskforce. I will focus on making the Port more competitive by streamlining our operations at our waterfront, improving freight mobility, and investing in high-speed rail, creating 24,000 jobs.

Environmental Action: I will prioritize habitat restoration, the reduction of toxic pollution, and will work to expand the Port's role in fighting our climate crisis. I am also committed to Port electrification and a just transition.

Airport Communities: The Port of Seattle's largest revenue stream is Sea-Tac Airport, yet none of the five Port Commissioners live in South King County. As a SeaTac resident, I am prepared to be a strong voice for cleaner aviation fuels, stronger sound insulation programs, and tackling ultrafine particle pollution with local leaders.

I am the only candidate endorsed by all nineteen King County Democratic Party organizations. Sole endorsements: Congresswoman Jayapal, Congressman Smith, King County Executive Constantine, Attorney General Ferguson, Commissioner of Public Lands Franz, Aerospace Machinists, UFCW, all SEIU locals, Teamsters Joint Council 28, Washington Conservation Voters, 50 Democratic legislators, and 300+ organizations and business leaders.

Education: Loeb Fellow, Harvard University; MA, Architecture, University of Washington; BA, Government, Bowdoin College

Occupation: Seattle Port Commissioner; Architect; Sustainability Strategist; Former Seattle City Councilmember

Statement: I learned early in life indelible civic leadership lessons and community values at the side of my father, Victor Steinbrueck, in his battle to save Pike Place Market. Through my years of public service, I've continued our family legacy, and as Port Commissioner I've worked hard to move our Port and the region forward with steady leadership and unswerving commitment to human values and transparency.

As Port Commissioner, I've worked to create: thousands of family-wage construction and dock jobs; critical oversight of billions in public works projects; a \$10 million South King County Community Impact Fund; a comprehensive carbon reduction plan for Sea-Tac Airport; a carbon-less and fully electrified Seaport by 2030; an extensive assessment of Port policing practices and policing reforms with a passion for civil rights and social justice; and accountable, open, and transparent government.

I've worked hard to improve environmental conditions at Sea-Tac Airport—reducing noise, improving air quality, increasing access for people with disabilities, raising flight kitchen workers' pay, and supporting taxicab drivers.

We Can Build The Port Of The Future Together: to be the region's driver for equitable middle-income wage jobs, the environmental leader among ports globally and ending systemic racism, all while demonstrating sound financial management, greater taxpayer accountability, transparency, and open government.

Endorsed: Ron Sims; Gael Tarleton; Auburn Mayor Nancy Backus; State Representatives Roger Goodman, Javier Valdez, and Frank Chopp; Bellevue City Councilmember Conrad Lee; Bellevue Mayor Lynne Robinson; Joan McBride; Bruce Harrell; Tomio Moriguchi; Nick Licata; SeaTac City Councilmember Pete Kwon; Federal Way Mayor Jim Farrell; Francisco Irigon; Sharon Lee; Civic rights Leader Lem Howell; Earth Day Founder Denis Hayes; King County Building and Construction Trades; 32nd LD Democrats; Metropolitan Democratic Club; Port of Seattle Fire Fighters; Seattle Fire Fighters; Plumbers and Pipe Fitters Local 32; Eastside Business Alliance... and many more!

Education: Seattle University - Masters & Bachelors Degrees; Garfield High School

Occupation: Executive Director, Washington State Commission on Asian Pacific American Affairs

Statement: As a lifelong resident of the Beacon Hill neighborhood, I've seen our Port's impact on communities. Leading a state agency, I witnessed how once again, when crises struck, working families were hit hardest. Disparities have deepened and our Port is one of the top polluters of carbon emissions in the state. It's fallen short of answering the challenges of our time. As a mom, I worry for the future.

Our Port is a connector - the gateway to the world and economic heartbeat of our region. It's uniquely positioned to be a model in bringing together stakeholders in industry, business, labor and community to build our economy back better while effectively reducing pollution. Growing our economy and advancing our environmental goals go hand-in-hand, *but we need new leadership to get it done.*

As Commissioner, I'll prioritize sustainably growing our maritime and aviation economies by transitioning off fossil fuels and promoting projects like electric terminals, off-shore wind, and solar panels to modernize our Port. Investing in infrastructure like high speed rail and better roads will promote international trade and improve the flow of goods and passengers throughout the region. These projects create family-wage jobs for workers and opportunities for small businesses. We can improve the quality of life for residents and ensure our Port operates in a safe, efficient manner without long, exhausting wait lines.

Meeting the needs of this moment requires new leadership with a bold vision, plan to act, and unwavering commitment to our goals. I'm running to ensure the rising tide of recovery lifts all ships.

Endorsed by Washington Conservation Voters, MLK County Labor Council, Ironworkers Local 86, NW Carpenters, business leaders, every legislative Democratic organization in King County, and over 50 electeds including Gov. **Education:** No information submitted.**Occupation:** Vice President Tegriss Fire**Statement:** Serving and working with the business owners and citizens of Carnation is a great privilege.

In the last four years, we have accomplished a lot. The Tolt Central Business District project is finally underway. We are in the process of building a new combined City Hall, Emergency Operations Center, and Community hall. I have worked to develop design standards that will help ensure our small-town feel. I also helped set up coffee with council, ensuring our city work plan is updated and making our open development and budgeting message charts easier to understand.

The next four years are critical to Carnation. We have several large projects taking place. We need to ensure critical road infrastructure and the city's fiscal health is in place for years to come. I am asking for your vote and look forward to serving Carnation another term.

**Education:** St. John Fisher, Pittsford, NY, Business**Occupation:** Self-employed, bartender, hospitality, community volunteer**Statement:** It has been an honor and privilege to serve the citizens of Carnation for the past eight years and I look forward to another four.

Over the last four years, I ensured the CBD project was underway and well planned. I restarted the monthly Coffee with Council for one-on-one personal interaction. In 2019, I was instrumental in starting the "Be Dam Ready", the first community evacuation drill. And, I represented Carnation at many regional government meetings ensuring we are top-of-mind when changes are discussed. As a volunteer for 27 years, I have organized many local events for the community to enjoy.

A few of my goals over the next four years include the construction of Larson Ave and building a new City Hall/Community Center/EOC on Bird Street for all to enjoy. I ask for your vote and look forward to serving Carnation and the community for another four years.

Statement: Thanks in advance for voting and considering me to represent your interest on our city council.

Having moved to Duvall in 2017 after nearly 22 years of military service, I have witnessed a lot of growth in our city. And, as a recent planning commissioner, I have learned about our planned growth. I grew up in an extremely small town, which gives me a nostalgic perspective that respects the impacts growth and change can have on such an amazing, small-town community.

As a citizen of this wonderful city, I feel it is extremely important to serve out of respect for those who have served before and help our elected officials make decisions that reflect our desires. We owe them the best possible representation of our community and you *deserve* a city council that has our *citizens' interest* as the number one priority. Thanks for considering me with your vote!

Statement: We have the privilege of living in a small town with strong and resilient family-owned businesses and a safe, family-friendly environment. Our common heritage with the Snoqualmie Valley community of other small towns, farms, and local businesses shapes our rural character and way of life.

It's critical for us to preserve Duvall's small-town identity and quality of living while maintaining the financial strength to provide essential services, strengthen our small businesses, and continue to make our community a safe and desirable place to live and raise a family.

I support limiting growth in Duvall while helping our local businesses by investing in our historic downtown. This will attract both local and out-of-town shoppers to our numerous culinary opportunities, specialty shops, art studios, trades, and services. Together, let's keep Duvall small, strong, and safe.

Elections are secure and accurate

Tabulation equipment is certified by the Washington Secretary of State and the federal Election Assistance Commission. The system is never connected to the internet.

Logic & Accuracy

- Conducted two weeks before each election, a public Logic & Accuracy test is conducted to ensure that voting equipment is ready for use and reading votes accurately.
- The Logic & Accuracy test is verified by independent observers and the Office of the Secretary of State.
- Political parties, candidates, and the media are all invited to attend the Logic & Accuracy test.
- Random Batch Audit
- On the Thursday after Election Day, randomly selected batches are hand counted to ensure, once again, that the tabulation equipment is reading and counting votes accurately.
- Hand count totals are compared with the vote totals from the tabulation equipment to ensure a match.

Occupation: Principal, Architect at Jackson|Main Architecture

Statement: As your Incumbent City Councilmember, I have been *Your* voice in the process, ensuring that every decision is in the best interest of our citizens. I believe in our shared civic values and our community's potential and I recognize the challenging decisions facing our local government.

My vision for Snoqualmie continues to be one that finds balanced revenue sources that are not solely reliant on additional growth and continuing to be a champion for managing future growth responsibly, fostering open community participation and engagement, ensuring the safety of our neighborhoods, protecting the unique character of Historic Snoqualmie, and reducing taxes and fees – but not by sacrificing essential community services.

We are at a critical juncture for Snoqualmie's future. If re-elected, I will continue to be an advocate of our citizens' interests and the strong, independent leader that Snoqualmie has asked for. I would appreciate your vote.

Education: BS Geology, California State University Chico, Masters in Education, University of Washington

Occupation: High School Physics Teacher

Statement: Our beautiful mountains, trees and great schools have drawn many families to Snoqualmie. Just as Snoqualmie has provided my family with so many opportunities, I want to give back to the community by serving on the council. My primary goals are to protect our parks, repair and replace our aging infrastructure, and make sure Snoqualmie remains a place to live, work and play for generations to come.

I have served as president of the Ridgestone HOA and as chair of the Planning Commission. In these positions, I have worked through complex policy and balanced the varied interests of the residents of our city. On the council I will continue to address the needs of our community and conserve Snoqualmie's natural scenery by ensuring future growth is done sustainably.

Together we can keep Snoqualmie beautiful, affordable, and prosperous. I'd be honored to have your support.

Shelly Farnham

SHELLY@TOTALLYLEGITLLC.COM

Education: PhD in Social Psychology from the University of Washington
Occupation: Community Technology Researcher and Organizer, President of Third Place Technologies

Statement: It has been my privilege to serve as a Town Councilmember for the Town of Skykomish the past four years, and I seek your support in serving for another four. As a portal to the Cascade Mountains in the Pacific Northwest, the Town plays a unique role in not only supporting the needs of our local community, but also taking care of our surrounding environment and welcoming visitors to our beautiful region. As your Councilmember, my priorities are to promote a high quality of life for our citizens through improved physical and social infrastructure, balancing our needs for economic growth with our authenticity as a historic mountain town. My near-term priorities include improved access to broadband, emergency preparedness, affordable housing, and community venues and events. Most importantly, my role as an experienced project manager and community organizer is to help this community articulate and meet its own goals.

I would be honored to continue my service for the Town of Skykomish for a second term on the Council.

Elections are secure and accurate

Tabulation equipment is certified by the Washington Secretary of State and the federal Election Assistance Commission. The system is never connected to the internet.

Logic & Accuracy

- Conducted two weeks before each election, a public Logic & Accuracy test is conducted to ensure that voting equipment is ready for use and reading votes accurately.
- The Logic & Accuracy test is verified by independent observers and the Office of the Secretary of State.
- Political parties, candidates, and the media are all invited to attend the Logic & Accuracy test.
- Random Batch Audit
- On the Thursday after Election Day, randomly selected batches are hand counted to ensure, once again, that the tabulation equipment is reading and counting votes accurately.
- Hand count totals are compared with the vote totals from the tabulation equipment to ensure a match.

To learn more about election security and accountability, visit bit.ly/KCEsecurity.

King County Drop Boxes

- 73 ballot drop boxes across King County
- 96% of voters live within a 3-mile radius of a drop box.
- Open 24-hours a day during the voting period.
- Ballots are transported securely back to Elections headquarters in sealed containers.
- Drop box collection teams are equipped with a comprehensive list of security procedures and actively monitored via GPS and photographic evidence.
- Your ballot is guaranteed as on-time as long as the ballot is deposited, or you are in line to deposit, before 8 p.m. sharp on Election Day.

**Education:** B.S. Oregon State University**Occupation:** Network Engineer**Statement:** Education is essential for students to become productive, successful adults in a modern society.

With over 40 years of experience in technology (telecommunications and network engineering) I see the necessity of STEAM (Science, Technology, Engineering, Arts, and Mathematics) education as a major part of the curriculum.

Current events have shown that effective communications skills, both writing and speaking, need to be fostered with an emphasis on coming to a rational and objective understanding.

With a B.S in Animal Science from Oregon State University I believe students should learn about the natural world around us, and how to use our natural resources in a sustainable manner. I believe we should respect the rights of the parents concerning the health and well-being of the student. Students should learn to uphold traditional American values based on natural law, as practiced by the Founding Fathers.

Statement: "All" means "all" and that's all "all" means. I've repeated this phrase countless times during my time as an Issaquah School Board Member, wanting to ensure *all* students can access educational opportunities that will allow them to reach their full potential. Never has this been more important! The past school year has been full of obstacles to learning, creating larger disparities between students who have access to supports and those that don't. We know in-person learning is the best way for students to grow academically, socially, and emotionally. I have worked relentlessly to return students to school buildings, while following all the guidance to assure the safety of students and staff.

Over the next few years, we will need to focus on recovery and restoration. Students will need to recover from the academic and emotional loss of the past year and a half. Staff will need to recover from constant changes in how to deliver teaching. And the Board will need to restore the trust that students are at the heart of what we do. This work will require experience and understanding how the school district operates. I humbly ask for your vote to continue to serve you and students.

Occupation: Occupation: Retired Public School Principal

Statement: *Teaching young people and finding the key to their success is my passion.*

Dr. Ghiora has worked K-12 levels in traditional and charter schools. She is immediate Past President of Washington Phi Delta Kappa, the nation's premier educational organization.

Wendy strongly believes in the potential of each and every student to achieve academic and personal success. She is your Back to the Basics candidate. It's time to re-ignite the methods used, and once again make our Issaquah schools a paragon of excellence. Students should leave school with the tools necessary to excel in whatever they choose to do.

Excellence should abound in academics and the creative and performing arts. An excellent education is when we teach children how to think, not what to think. A student who is curious and explores many ideas and viewpoints is using critical thinking skills and will be well prepared and inspire others to think for themselves. Dr. Ghiora fully supports the National School Board's vision and purpose to: "Prepare students for college and the workforce, including preparing them for jobs that may not even exist yet due to rapidly changing technology, and to help children fulfill their diverse potentials."

Statement: I believe that public education plays an important role in developing our young people to become thriving members of society. My commitment to public service is grounded in the principles that transparency and increased engagement with families and community members are critical. We need more voices represented in district decisions.

As a parent of two current ISD students, I ran for the Issaquah School Board in 2019 to serve our community by using my more than 15 years of mission driven board service, skills in finance and operations, and a career of leading transformational change. The past two years have brought incredible challenges and given me the opportunity to understand each aspect of our school system. Throughout this unprecedented pandemic, my commitment to listening to differing perspectives and making difficult decisions has been strengthened. My goal is to leverage these experiences to ensure that we retain and reuse all that we have learned and emerge stronger as we return to a fully operational system.

We must all pull together to recover from this distressing time. I pledge to continue doing the hard work needed to support our children's academic success and social emotional growth. I humbly ask for your support.

Occupation: Managing Developer at Paizo Inc.

Statement: I'm eager to provide our school board with a new perspective! As the father of three children in the district receiving different levels of support, I'm directly invested in our schools. I want to see all our children in this district thrive amid our current unique challenges. There's so much opportunity for them, as long as we have a board willing to provide it!

Our schools need fresh direction, not detached leadership from a decade ago. The pandemic has highlighted the need for flexible learning in a safe environment. I support diversity and equity in the classroom and at the district level.

I know the work that goes into being a school board member. I've served on community boards for years, most recently as the chair of Carnation's Planning Board. My experience as a healthcare regulatory attorney has also shown me how policy impacts people. Vote Ron Lundeen.

Statement: It is an honor to serve as a board member for Riverview School District. I am a passionate education advocate who cares deeply about our students, staff, parents, and our community. I am proud to help lead the district through the unprecedented challenges of a pandemic. Through these challenges we balanced the needs of the community, students, and district employees. The world has changed and we must prepare our children to be successful in this new environment.

My family has lived in Duvall for 19 years. My involvement over the years includes committees, PTSA, the Riverview Ambassador Program, and as a school director.

In the last 5 years Riverview has: increased the graduation rate to 97%, received the Board of the Year award, and is recognized as a national leader in 'student voice'. Much work remains to allow every student to be successful. Please vote to re-elect Sabrina Parnell.

Statement: There are unique challenges facing our school board as we continue to navigate both the pandemic and our growing community. Unique challenges are best addressed by diverse opinions and fresh perspectives. The current school board has been in place since 2015 and the majority even longer. While continuity is important, so is change.

Transparency and communication are vital to fostering and maintaining community engagement to ensure all voices are heard. This is an area that can be improved by our school board. These pillars are critical to ensuring high level of community support.

While I do not have school board or school administration experience, my skills gained during 18 years of corporate work would directly translate to this role. I am skilled at navigating ambiguity, being transparent, and communicating across differences. I have two children in the district and have been part of this community for 14 years.

Education: Bachelor of Arts, Computer Science, Duke University; Master of Business Administration, Duke University

Occupation: Finance

Statement: I've been enjoying supporting our students and community by serving on the board, and by representing and advocating for Skykomish School District students and families in Olympia. As father, I am interested in the learning opportunities afforded to Skykomish School students by their teachers, the ingenuity, personal, and the creative environment that the school community provides our students, and the strong sense of spirit it creates.

I look forward to continuing to provide active governance to contribute to the District's mission of working with students, parents, and the community to help our students grow and succeed. In that effort, my focus is to help provide the right long term and strategic guidance to ensure the District continues to have a stable financial foundation for access to the resources its faculty and students require, and to sustain a quality education that meets each student's educational needs for personal and professional growth.

Occupation: Retired. Work at Swedish Hospital, DiscoveryHealth MD, Volunteer Snoqualmie FD
Statement: In 2019 I worked closely with Fall City community members to assure our Department remains strong and independent. Commissioners have an obligation to operate the Fire Department to serve the needs and wishes of the community. That means listening, developing a plan, and executing that plan in a fiscally responsible way.
My qualifications are rooted in 31 years as volunteer Firefighter, Emergency Medical Technician, and 17 years as Fire Commissioner. Prior to retirement, I spent 30 years as an executive, building and running successful businesses. As Fire Commissioner, I grew a small community-based Fire District to cover approximately 20 square miles with three stations and 23 volunteer firefighters. My finance background helped me acquire new engines, tenders, brush trucks and aid cars while staying within the voter-approved tax rate.
Vote for me so I can listen to what you want and work with our new chief to make it happen!

Statement: I believe in transparent government, where people are ethical and held accountable. From my perspective, not everyone shares those values. Fire Commissioners should *always* recuse themselves from issues where they might benefit personally, such as a merger agreement with another fire department—in which they happen to work.

During my 32 years in the fire service, I've managed policy, budget, and operations—experience I'll use to help Woodinville Fire improve efficiency and effectiveness, while serving you. The contract with Eastside Fire is a good start, providing enhanced training and career growth for firefighters while saving taxpayers \$15 million.

As a Fire Marshal, I'm also aware of impacts that fire regulations have on local businesses and will work to minimize burdens. Finally, I'll bring diversity to the board and work for inclusivity. I'm proud to be supported by so many local businesses and community leaders, and I will donate any compensation I receive.

Tim Osgood

Statement: When you first elected me to serve as a Fire Commissioner in November 1997, our newly formed City had annexed for fire protection services with the District. We were also facing uncertainty of future annexations of portions of the District by other bordering cities. Additionally, we needed to provide a well matched and positioned workforce.

We've been able to enjoy a Gold Standard department at every level. We are well trained, staffed and capable of handling the majority of our first alarm responses. We enjoy strong financial independence, have no debt, we own everything we have and are amongst the lowest tax collection rates consistently, year after year.

I am concerned about our anticipated rapid growth downtown, our continued Wildland Fire readiness and proper execution of the recently signed ILA with Eastside Fire. Should you return me to office, I pledge my continued focus and energy in your best interest.

I am not beholden to any special interests, labor organizations or campaign contributors. I only represent my neighbors: the citizens of Woodinville.

This election is about maintaining independent control of your fire district. As a local business owner, I ask you to help me continue to bring fiscally sound management to the district which provides the latest in fire equipment and maintains the excellent level of service we all enjoy, not simply to be a spokesperson for the employees' bargaining group.

Endorsed by: Mike Millman – Woodinville City Council, retired Everett firefighter; Derek van Veen - Woodinville Fire Commissioner; Jim Dorney – Previous Woodinville Fire Commissioner, Retired Bellevue Fire Battalion Chief; Elaine Cook – Previous Woodinville Mayor.

Occupation: Retired Fire Chief, Current Costco Employee

Statement: Our community deserves a Commissioner with Transparency, Integrity and Leadership while being fiscally responsible to the taxpayers. I spent 40 years in the fire service, rising from Firefighter/Paramedic to Fire Chief, and have extensive knowledge regarding the day-to-day operations of a Fire District and its responsibility to the public.

I started two 501(c)(3) nonprofits to provide emergency housing for families displaced due to fire, a backpack program for kids who needed school supplies, scholarships for young adults, and holiday meals, and have received local and national awards for my work ethic and leadership skills.

My wife and I have lived in the community for 24 years and raised our two children here. I will work hard to ensure our Fire District operates efficiently and effectively, always keeping the best interests of our community as the primary goal. I would be honored to earn your vote and serve our Fire District.

Michael D. Smith

irishmikesmith@gmail.com

Education: B.A. University of Washington
Occupation: Senior Loan Officer

Statement: As a lifelong resident of Washington state, I want to be involved in my community. The water conversation is exactly what I am looking for.

My family of 8 moved to the Carnation/Duvall area from Issaquah because we wanted to grow our own food, manage our own animals, and support our local community.

As a current water district customer, I have found that the current team is knowledgeable, courteous, and friendly. I aspire to be the same. I believe that water, and water issues, is a responsibility. My goal is to keep an eye on conservation, be fair to the customers, and keep a keen eye on growth in our community. I will work closely with the other commissioners to ensure we are making the very best decisions for our community regarding water. I also hope to understand our role better in the greater water conversation throughout King County.

Occupation: Manager of BBQ division at Aqua Quip, Small business owner

Statement: I became a commissioner to help the district grow and to be fiscally responsible.

It has been and will be a challenge to upgrade our infrastructure but I feel we are heading in the right direction.

I plan on being here to help make the tough decisions ahead of us. Together, we can make our utility district the best in the state and to be an example to other districts. Thanks for your support.

Elections are secure and accurate

Tabulation equipment is certified by the Washington Secretary of State and the federal Election Assistance Commission. The system is never connected to the internet.

Logic & Accuracy

- Conducted two weeks before each election, a public Logic & Accuracy test is conducted to ensure that voting equipment is ready for use and reading votes accurately.
- The Logic & Accuracy test is verified by independent observers and the Office of the Secretary of State.
- Political parties, candidates, and the media are all invited to attend the Logic & Accuracy test.
- Random Batch Audit
- On the Thursday after Election Day, randomly selected batches are hand counted to ensure, once again, that the tabulation equipment is reading and counting votes accurately.
- Hand count totals are compared with the vote totals from the tabulation equipment to ensure a match.

Statement: Having been a resident of the Northshore area all my life and having served on the EvergreenHealth Board for many years has provided me the opportunity to recognize the importance of providing quality healthcare for our community. I have been able to work for and see EvergreenHealth grow from a small Community Hospital into the major Medical Center that it is today. EvergreenHealth now provides many services such as Home and Hospice Care, a Family Maternity Center, an Outpatient Surgery Center, new facilities for the Booth Gardner Parkinson and the Multiple Sclerosis Centers, the Halvorson Cancer Center, and a new Intensive Care Unit. These services and facilities are all a reality because of the support from our community for EvergreenHealth.

EvergreenHealth is your community Hospital and it is rated among the top 5% of Hospitals for quality in the United States. This outstanding award is for many areas of service, such as stroke, cancer care, and many other areas. My goal as your Hospital Commissioner is to see that EvergreenHealth continues to provide the quality, innovative, and cost-effective care with a complete range of services that our community needs and deserves. Thank you for giving me the privilege of serving as your Public Hospital Commissioner.

Education: BS, Mathematics, Duke University; MD, University of Washington School of Medicine

Occupation: Emergency Physician & ER Medical Director (Retired); Board Member EvergreenHealth

Statement: Serving our community as an Emergency Physician and Commissioner (Board Member) at EvergreenHealth remains an honor. Being the only physician on the Board brings a valuable patient care perspective to the issues we face.

At the beginning of my tenure, I created and have chaired our Board Quality and Safety Committee. I enlisted community members with expertise in aviation, technology and industry to help guide us from a community hospital to a highly respected regional medical center, ranked by Healthgrades in 2020 as one of "America's 50 Best Hospitals." We were also recognized by the CDC, DOH and SKCHD for our team's response to the Covid19 pandemic as we became educators for the rest of the nation for our early experience with critically ill patients.

We take pride in our unique committee of over 40 Community Advisors who meet monthly to receive information and provide input to our Board and executive leadership. That has helped us build a first-class culture that allows us to recruit our amazing staff and reduce employee turnover.

I also serve on our Board Construction, Planning and Strategy Committee, helping to oversee and manage the costs of developing new projects and programs. I also represent Evergreen on the board of the Eastside Health Alliance, a project to improve quality and reduce costs and duplication of services in neurology and cardiology.

I commit to you, our taxpayers, to keep the hospital's tax rate as low as possible while insuring that Evergreen is truly working "to enrich the health and well-being of every life we touch." I am endorsed by firefighters, paramedics, community leaders and neighbors. I look forward to continuing to serve you as we face the opportunities and challenges of healthcare reform and hope that I have earned your trust and your vote.

Education: Bachelor's in English, Wofford College; Master's in Cultural Studies, University of Washington

Occupation: Senior Consultant in healthcare, Valence

Statement: I am an advocate for health in our community by promoting awareness for autoimmune diseases and fundraising for cancer research. Having worked in clinical care operations for the third-largest non-profit health system in the United States, I see both the challenges facing healthcare and possibilities for reform. I intend to help make healthcare better for all Americans. That starts with impacting decisions made at the local level.

As someone who lives with a chronic disease and is the healthcare agent of a parent, I know firsthand the struggles of navigating a complex system that is not always affordable or accessible. I don't need to be the medical expert in the room to provide governance that positively impacts our community. I will bring experts together with the people of District 2, so everyone is heard.

As your Public Hospital Commissioner, I will listen with intent and lead by example, being honest and transparent with the public. Most importantly, I will commit to making decisions that are in the best interest of our community.

Our future depends on healthcare, and I respectfully ask for your vote to help make a difference.

Katie Grainger has been endorsed by the National Women's Political Caucus of Washington state and the Legislative District 48 Democrats.

Statement: I am proud to serve as your commissioner for the past 14 years, 1/2 as the finance chair. Your hospital has grown from 60 to 300+ employees and nearly a \$50,000,000 budget. The District had its first ever positive bottom line in 2019 and is on its way again in 2021.

We offer full imaging, Emergency services, 24 hour urgent care, clinics and many specialties serving nearly 30,000 patients every year. In addition, we provide over \$1 million in charity care each year. Puget Sound Physicians (same as Overlake's ER) now contracted to provide excellent emergency services since December, 2020.

King County Health has designated your hospital as the preferred site for East King County vaccinations. We have administered over 12,000 COVID vaccines: children can get an appointment so that they can go back to school. Education: BA, Wheaton College; MA, NAB Seminary; Master's in Health Administration, University of Washington

Occupation: Healthcare system executive (retired)

Statement: As a longtime leader of community-based healthcare organizations, I fully endorsed the hospital district measure in 2019. The five-member Commission has taken the overwhelming community support forward to effectively address a central problem, a reliable local primary care service. Going forward the challenges and degree of difficulty will increase as we seek solutions to problems of healthcare disparities, affordability, expansion of basic medical care to include behavioral health, while maintaining a reasonable levy rate. The reality is the nation's healthcare system is broken and local action will be needed to address critical gaps. I look forward to offering my experience as we address our current challenges.

I have a long history of community engagement including service on governing boards for United Way, Cabrillo Community College Foundation, business council and other non-profit organizations and will work to secure ongoing community involvement in the improvement of healthcare services on Vashon Island.

Charter Amendment No. 1

Preamble

Shall the Preamble of the King County Charter be amended to make a grammatical correction and to include among other charter purposes, equitable government, protection and enhancement of the urban and rural environment and economy, and promotion of a superior quality of life?

Yes

No

The complete text of this measure is available beginning on page 64.

Statement in favor

The Preamble to the County Charter is an opportunity for the voters to state their values and say what outcomes they want from county government. Since the Preamble was first written, King County has grown to be home to 2.3 million people and a hub of technology, culture and innovation. It's time to update the Preamble to better reflect our modern county and the people who live in it.

By adding "for all" and "equitable," the Preamble will show that county government should be a resource and provide services to all its residents in an equitable manner. This involves not just providing services equally but also finding out about the needs, ideas and solutions different communities might have and helping them access services so they can succeed and thrive.

The addition of "protect and enhance" and "promote a superior quality of life" reflects the county's direct role in providing regional services, such as buses and public health, and as the local government in the unincorporated areas. The county also has a unique role as a leader, convener, and facilitator of improvements in these areas in collaboration with cities.

We ask you to vote yes on King County Charter Amendment 1.

Submitted by: Michael Herschensohn,
Louise Miller, Alejandra Tres

Explanatory statement

The preamble of the King County Charter states the purposes for the Charter. Currently, the stated purposes are to form a more just and orderly government, establish separate legislative and executive branches, provide for responsibility and accountability for governance and services, enable effective public participation, preserve a healthy rural and urban environment and economy, and secure the benefits of home rule and self-government.

This proposed amendment to the preamble would correct a grammatical error and add the purposes of a more equitable government for all and promotion of a superior quality of life. The amendment would also change the already stated purpose of preserving a healthy rural and urban environment and economy, to protecting, enhancing and preserving a healthy rural and urban environment and economy.

Charter Amendment No. 2
Initiative, Referendum and Charter Amendment
Timelines and Processes

Shall the King County Charter be amended to comply with state law timelines for initiative, referendum and charter ballot measures and to clarify definitions and terms related to the referendum and initiative process?

Yes
No

The complete text of this measure is available beginning on page 64.

Statement in favor

Since voters first approved it in 1969, the King County Charter has provided residents the opportunity to submit initiatives and referenda to the King County Council to be either adopted or put on the ballot for voters to consider.

Over the years, state law governing the rules for initiatives and referenda has evolved, particularly in terms of timelines for putting measures on the ballot. In addition, in 2018 the King County Council updated the county code describing the process for initiatives and referenda to align with state law. Consistent with that prior effort, this charter amendment is largely technical and meant to align the charter with state law and county code, and to provide other clarifications to the process and timelines.

Initiatives and referenda to the King County Council are unusual events, but when they do happen it is important that state law, the county charter, and county code are consistent, provide one set of rules for people to follow, and that the rules are as clear as possible, regardless of the topic. This charter amendment will achieve that goal.

Please vote Yes on King County Charter Amendment No. 2.

Submitted by: Toby Nixon, E.J. Juarez,
kcca2pro@outlook.com

Explanatory statement

The King County Charter authorizes county initiatives, referenda and charter amendments. The timelines related to these proposed ballot measures as currently stated in the Charter conflict with state law timelines for placing proposed measures on the ballot. The Charter timelines are based on state statutes that have been amended since the Charter was adopted.

This proposed amendment would replace the outdated Charter timelines with the current state law timelines and would incorporate any future changes to the state law timelines. The proposed amendment would also change several sections of the Charter to clarify the process for filing proposed initiatives, referenda and charter amendments.

Proposition No. 1
Renewal of Sales and Use Tax for Transportation Improvements

The North Bend City Council adopted Resolution No. 1982 concerning a proposition to finance transportation improvements. This proposition would authorize renewal and reimposition of a sales and use tax at a rate of two-tenths of one percent (0.2%) to be collected from all taxable sales and uses, for a period of 10 years, to fund projects identified in the City of North Bend’s Transportation Improvement Program (TIP), multi-modal connectivity projects, and other street, sidewalk, and trail repair and improvements. Should this proposition be approved?

Yes
No

The complete text of this measure is available at the Elections Office or online at kingcounty.gov/elections.

Statement in favor

Submitted by: Mark Joselyn, Ken Hearing, Craig Glazier, khearing@yahoo.com

The City of North Bend established a Transportation Benefit District (TBD) in 2011 to fund necessary transportation improvements and repair deteriorating streets and walkways. The measure passed in 2011 with overwhelming support. *Renewal* of our TBD for the next ten years provides a source of revenue dedicated to the City’s transportation network with a very small impact on residents.

Proposed renewal of the sales tax of two-tenths of one percent would generate approximately \$700,000 annually for the exclusive purpose of funding transportation improvements within the city. The tax does not apply to groceries, prescriptions or gasoline. The majority of the funds have been and will be generated by visitors.

North Bend has benefited greatly from 10 years of TBD revenue and was able to complete numerous projects that had significant positive impacts to the livability of our city. The reconstruction of Pickett and Boalch were the first projects paid for by TBD funds. Future projects will include repaving NE 6th, NE 8th and sidewalk reconstruction in Forster Woods and Si View.

This proposition will continue to enhance our community while equitably sharing the cost with those that benefit from and use our facilities.

Explanatory statement

In 2011 the North Bend City Council formed Transportation Benefit District No. 1 as authorized by state law. That same year, as a means to provide funding to Transportation Benefit District No. 1, North Bend citizens passed a measure approving an increase in the City’s sales and use tax by two-tenths of one percent (0.2%). The tax became effective April 2012 and has been spent only on transportation improvement projects approved by the North Bend City Council. This tax is paid by everyone, residents and non-residents alike, who make taxable purchases within the City.

State law authorizes the current transportation improvement tax to be in effect for ten years, and also authorizes one renewal for an additional ten-year period. The current tax expires March 31, 2022. If approved, this ballot measure will implement the authorized ten-year renewal. The renewal will retain the current sales tax imposed at the rate of two-tenths of one percent (0.2%) on all taxable purchases within the City limits, and the renewed tax must be used only for transportation improvement projects approved by the North Bend City Council.

Proposition No. 1
Sales and Use Tax for Transportation Improvements

The City Council of Snoqualmie, Washington adopted Ordinance 1251 imposing a sales and use tax for transportation improvement projects. This proposition would authorize a sales and use tax at the rate of 0.2% on retail sales within the City, for the longer of ten years or, if revenue is dedicated to repayment of indebtedness, the time necessary to repay such indebtedness, to pay for transportation improvements defined in RCW 36.73.015, including the Sidewalk Replacement Program and other projects in the Six-Year Transportation Improvement Plan or Non-Utility CIP, as set forth in Ordinance 1251.

Should this proposition be approved?

- Yes
- No

The complete text of this measure is available at the Elections Office or online at kingcounty.gov/elections.

Statement in favor

The Current Tax Method Is Unfair. We are a car-dependent community. Currently those with less disposable income pay the same as those with the most. By replacing our current \$40 car tab tax with a 0.20% sales tax, most residents will pay less while visitors will help fund the majority of costs. Surrounding communities have already implemented this transportation sales tax, so Snoqualmie residents are contributing towards their roads. Asking the same in return is only fair.

We Need To Fix Our Sidewalks And Streets Sooner. We all know our sidewalks and streets need repair. This raises more money while most residents pay less. And it will still leave Snoqualmie with a lower sales tax (8.9%) than surrounding communities (Issaquah, 10.1% and North Bend 9.0%).

The City Has Already Passed The Ordinance That Repeals The Existing Car Tab Tax If This Measure Passes. Will this new sales tax cost you more? You would need to spend more than \$20,000 annually within the city limits to exceed the current \$40 car tab tax. That's not including groceries, which are not subject to sales tax.

Rebuttal of statement in opposition

The City has kept taxes down, with one of the lowest sales tax rates and the vehicle tax below the maximum \$50. This proposition replaces an unfair tax that disproportionately impacts those who can afford it the least.

Our sidewalks and streets need more funding as we all can see every day. Under this proposition all those who use our roads and sidewalks will share in the cost – a fair and equitable approach.

Explanatory statement

Proposition 1 authorizes the City of Snoqualmie to impose a 0.2% sales and use tax on retail sales within the City, for the longer of ten years or, if revenue is dedicated to repayment of indebtedness, the time necessary to repay the indebtedness, as set forth in Ordinance No. 1251.

If Proposition 1 is approved, Ord. 1251 would repeal the existing \$40 vehicle license (aka "car tab") fee and replace it with the 0.2% sales and use tax which, as provided by law, would only be used to help pay for transportation improvements as defined by RCW 36.73.015 and included in the City's adopted Six-Year Transportation Improvement Plan and Non-Utility Capital Improvement Plan.

The City Council will allocate sales and use tax revenue among the Plans' projects, which currently include the Sidewalk Replacement Program, Street Resurfacing Program, and Snoqualmie Parkway Rehabilitation Program, among others. The Council may add new projects or revise the Plans in the future.

The 0.2% tax would generate approximately \$550,000 annually, compared to the \$406,000 generated by the current \$40 car tab fee. The \$40 fee is primarily paid by City residents. The 0.2% sales and use tax would be paid by all retail sales consumers, including non-resident tourists, ensuring that non-residents share some of the cost of City transportation improvements.

By way of comparison, Snoqualmie residents' estimated annual per capita cost of the 0.2% sales and use tax (\$20.73) would be less than the per capita cost of the car tab fee (\$29.66).

For questions about this measure, contact: Nicole Wiebe, Interim City Clerk, (425) 888-1555, nwiebe@snoqualmiewa.gov

Statement in opposition

We urge voting No. The city promotes this as a "replacement" for \$40 car tab fees (which they don't mention drop to \$20 on 4/1/2022), partially shifting the tax burden to non-residents. This is a semi-permanent tax increase allowing future city councils to re-institute \$40 tabs while the sales tax increase continues.

Snoqualmie voters now have a choice to keep current taxes as they are, and not risk the possibility that officials will seek to raise additional revenue from residents. Unlike sales tax increases, which are subject to voter approval, city council can easily re-impose \$40 car tabs through a simple majority vote. We believe the certainty of our existing tax and fee structure is preferable to the risk that we will be stuck with both higher sales taxes and locally imposed car tab fees.

The city is overly optimistic in projecting the tax increase will be paid in significant part by non-residents (\$550,000 sales tax revenue increase vs. \$204,000 car tab revenue reduction annually). Snoqualmie lacks larger-scale retail which draws nonresidents, unlike North Bend and Issaquah. This tax increase will be felt by city residents, from restaurant meals to internet purchases, and can be avoided with a No vote.

Rebuttal of statement in favor

The "Pro" statement is misleading! This sales tax increase does not replace \$40 tabs – it replaces \$20 tabs. The current tab rate already drops to \$20 per vehicle on 4/1/2022, when this tax hike is proposed to replace it.

Let's not replace \$20 tabs with this new tax. Future city councils can easily re-impose \$40 tabs while still collecting the increased sales tax, all without a vote of the people. Do you trust these politicians?

Ordinance 19308

AN ORDINANCE proposing an amendment to the King County Charter to update the charter, clarify terms and bring the charter into compliance with state law, as it pertains to referendum, initiative and charter ballot measure timelines; amending Sections 230.40, 230.50, 230.50.10, 230.60, 230.70, 230.75 and 800 of the King County Charter; and submitting the same to the voters of the county for their ratification or rejection at the November 2, 2021, general election.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. There shall be submitted to the qualified voters of King County for their approval and ratification or rejection, at a special election to be held in conjunction with the November 2, 2021, general election, amendments to sections 230.40, 230.50, 230.50.10, 230.60, 230.70, 230.75 and 800 of the King County Charter, to read as follows:

230.40 Referendum.

Except as provided herein, an enacted ordinance may be subjected to a referendum by the voters of the county ~~((by filing with the county council prior to the effective date of the ordinance))~~ if a proposed referendum petition is submitted as provided in Section 230.70 of this charter and then no later than forty-five days after enactment of the ordinance petitions are filed with the clerk of the county council bearing signatures of registered voters of the county equal in number to not less than eight percent of the votes cast in the county for the office of county executive at the last preceding election for county executive. In addition, except as provided herein, an enacted ordinance which pursuant to state law is effective only in unincorporated areas of the county may be subjected to a referendum by the voters of the unincorporated areas of the county ~~((by filing with the county council prior to the effective date of the ordinance))~~ if a proposed referendum petition is submitted as provided in Section 230.70 of this charter and then no later than forty-five days after enactment of the ordinance petitions are filed with the clerk of the county council bearing signatures of registered voters residing in unincorporated areas of the county equal in number to not less than eight percent of the votes cast at the last preceding election for county executive, provided however that the number of required signatures shall be calculated based only upon votes cast within areas which on the date such petitions are required to be filed are unincorporated areas of the county. Each petition shall contain the full text of the ordinance to be referred. ~~((The ordinance to be referred shall be placed on the ballot at the special or general election occurring more than forty-five days after the petitions are filed, provided that))~~ Following the verification of sufficient petition signatures and in accordance with state law deadlines for calling an election, the county council shall call for an election to submit the referred ordinance to the voters for approval or rejection at the next available election date specified in state law, in the case of an ordinance effective only in unincorporated areas of the county, the proposed ordinance shall be

voted upon only by the registered voters residing in unincorporated areas of the county.

An appropriation ordinance; an emergency ordinance ~~((necessary for the immediate preservation of the public peace, health or safety or for the support of county government and its existing public institutions))~~ as specified in Section 230.30 of this charter; an ordinance proposing amendments to this charter; an ordinance providing for collective bargaining; an ordinance approving a collective bargaining agreement; an ordinance providing for the compensation or working conditions of county employees; or an ordinance which has been approved by the voters by referendum or initiative shall not be subject to a referendum.

230.50 Initiative

Ordinances, except ordinances providing for the compensation or working conditions of county employees, may be proposed by filing with the county council petitions bearing signatures of registered voters of the county equal in number to not less than ten percent of the votes cast in the county for the office of county executive at the last preceding election for county executive. In addition, an ordinance which pursuant to state law is effective only in unincorporated areas of the county, except an ordinance providing for the compensation or working conditions of county employees, may be proposed by filing with the county council petitions bearing signatures of registered voters residing in unincorporated areas of the county equal in number to not less than ten percent of the votes cast at the last preceding election for county executive, provided, however that the number of required signatures shall be calculated based only upon votes cast within areas which on the date such petitions are required to be filed are unincorporated areas of the county. Each petition shall contain the full text of the proposed ordinance.

The form of a proposed ordinance petition must be submitted in accordance with Section 230.60 of this charter to the clerk of the council. Once the form is approved, if within ninety days the required signatures of registered voters are filed with the clerk of council, then the county council shall consider the proposed ordinance. If the proposed ordinance is not enacted within ninety days ~~((after))~~ of the date the signed petitions are ((presented)) filed, ((it shall be placed)) the county council shall, in compliance with state law timelines for placing local measures on the ballot, place the proposed ordinance on the ballot either at the next ((regular or special)) general election ((occurring more than one hundred thirty-five days after the petitions are filed)) or at an earlier election designated by the county council. ((However, if the proposed ordinance is enacted at any time prior to the election, it shall not be placed on the ballot or be voted on unless it is subjected to referendum:))

If the county council rejects the proposed ordinance and adopts a substitute ordinance concerning the same subject matter, the substitute ordinance shall be placed on the same ballot with the proposed ordinance; and the voters shall first be given the choice of accepting either or rejecting both and shall then be given the choice of accepting one and rejecting the other, provided that in the case of an ordinance effective only in unincorporated areas of the county, the proposed ordinance shall be voted upon only by the registered voters residing in unincorporated areas of the county. If a majority of the voters voting on the first issue is for either, then the ordinance receiving the majority of the votes cast on the second issue shall be deemed approved. If a majority of those voting on the first issue is for rejecting both, then neither ordinance shall be approved regardless of the vote on the second issue.

230.50.10 Institutional Initiative.

Any city or town located within the county may, after securing the consent, by motion or resolution, of at least one half of the cities within the county, propose an ordinance of county-wide significance directly to the metropolitan county council, except an ordinance which is not subject to a referendum under the provisions of Section 230.40 of this charter. Such proposed legislation shall be in ordinance form. The metropolitan county council shall ~~((take action on))~~ approve, amend and approve, or reject such proposed legislation within ninety ~~((90))~~ days of its filing with the county council.

230.60 Referendum and Initiative Petitions.

The county council shall establish by ordinance the form to be used for referendum and initiative petitions. All referendum and initiative petitions shall be sponsored by an individual or committee of individuals, which shall secure the approval of the clerk of the county council as to the form of the proposed petitions before circulating them. Within five days after the form of the proposed petitions is submitted to the clerk of the county council, the clerk shall return it to the sponsor with an indication of the clerk's approval or with a detailed written explanation of the clerk's objection to the form.

230.70 Effective Date of Ordinances.

Except as provided herein, the effective date of an ordinance shall be ten days after its enactment unless a later date is specified in the ordinance. If an

ordinance may be subjected to a referendum as provided in Section 230.40 of this charter and (if a) the proposed referendum petition is submitted to the clerk of the county council as provided in ((Subsection)) Section 230.60 of this charter prior to the tenth day after its enactment, ((the effective date of the ordinance shall be forty-five days after its enactment unless a later date is specified in the ordinance. If an ordinance is subjected to referendum, it)) and if the department of elections director notifies the clerk of the council in writing that the number of petition signatures is sufficient to proceed to referendum, the ordinance shall not become effective until after it is approved by the voters. If it is approved by a majority of the voters voting on the issue, the effective date of an ordinance which is subjected to referendum or proposed by initiative, or a substitute ordinance proposed by the county council as provided in ((Subsection)) Section 230.50 of this charter, shall be ten days after the results of the election are certified unless a later date is specified in the ordinance. The effective date of an ordinance no longer subject to referendum is the date the department of elections director notifies the clerk of the council in writing that the number of petition signatures is insufficient to proceed to referendum, unless a later date is specified in the ordinance. A determination of the sufficiency or insufficiency of the required number of petition signatures for a referendum should be completed within ninety days of the enactment of the ordinance. The effective date of an emergency ordinance shall be the date of its enactment unless a later date is specified in the ordinance.

An ordinance which is subject to the veto power of the county executive and which is not vetoed, or the approved portions of an appropriation ordinance which has been partially vetoed, shall be deemed enacted on the date that it is approved by, or ten days after it is presented to, the county executive. An ordinance which is vetoed or the vetoed portions of an appropriation ordinance shall be deemed enacted on the date that the county council overrides the veto or partial veto. An ordinance which is not subject to the veto power of the county executive shall be deemed enacted on the date it is approved by the county council.

230.75 Amendment or Repeal of Ordinances Approved by the Voters.

No ordinance that is approved by the county council in response to the filing of an initiative petition or that is approved by a majority of the voters voting thereon, whether as the result of a referendum or initiative, shall be amended or repealed by the county council within a period of two years following the effective date of such ordinance; provided that such ordinance may be amended within the two-year period by ordinance adopted by a vote of not less than two-thirds of all members of the county council, which amendatory ordinance shall not be subject to referendum.

An ordinance approved by the county council in response to the filing of an initiative petition or by the voters may be amended or repealed by an ordinance approved by a majority of the voters voting thereon at any special or general election. Ordinances may be enacted to facilitate and effectuate this provision.

Section 800 Charter Review and Amendments.

At least every ten years after the adoption of this charter, the county executive shall appoint a resident commission of not less than fifteen members whose mandate shall be to review the charter and present, or cause to be presented, to the county council a written report recommending those amendments, if any, which should be made to the charter. Appointees shall be subject to confirmation by a majority of the county council. This resident commission shall be composed of at least one representative from each of the county council districts. The county council shall consider the commission's report and recommendations and decide at an open public meeting how to proceed on each of the commission's recommended charter amendments, as provided by ordinance.

The county council may propose amendments to this charter by enacting an ordinance to submit a proposed amendment to the voters of the county. The county council shall comply with state law timelines for placing local measures on the ballot and shall place the proposed amendments on the ballot at the next general election ((occurring more than forty-five days after the enactment of the ordinance)). An ordinance proposing an amendment to the charter shall not be subject to the veto power of the county executive. Publication of a proposed amendment and notice of its submission to the voters of the county shall be made in accordance with the state constitution and general law. If the proposed amendment is approved by a majority of the voters voting on the issue, it shall become effective ten days after the results of the election are certified unless a later date is specified in the amendment.

SECTION 2. The clerk of the council shall certify the proposition to the director of elections, in substantially the following form, with such additions, deletions or modifications as may be required by the prosecuting attorney:

Shall the King County Charter be amended to comply with state law as it pertains to initiative, referendum and charter ballot measure timelines, and to clarify definitions and terms related to the referendum and initiative process?

Elections are secure and accurate

Tabulation equipment is certified by the Washington Secretary of State and the federal Election Assistance Commission. The system is never connected to the internet.

Logic & Accuracy

- Conducted two weeks before each election, a public Logic & Accuracy test is conducted to ensure that voting equipment is ready for use and reading votes accurately.
- The Logic & Accuracy test is verified by independent observers and the Office of the Secretary of State.
- Political parties, candidates, and the media are all invited to attend the Logic & Accuracy test.
- Random Batch Audit
- On the Thursday after Election Day, randomly selected batches are hand counted to ensure, once again, that the tabulation equipment is reading and counting votes accurately.
- Hand count totals are compared with the vote totals from the tabulation equipment to ensure a match.
