

Utilities Technical Review Committee Members

The Utilities Technical Review Committee (UTRC) is composed of members representing several Departments within King County. The Departments to participate on the UTRC are identified in King County Code. The members are either the Director or Director's designee of each respective Department. Current members of the UTRC are:

- Steve Hirschey (Chair) and Mark Lampard (alt. Kristina Westbrook) for the Department of Natural Resources and Parks;
- Lydia Reynolds-Jones (alt.; Ryan Harris) for the Department of Transportation;
- Paul Reitenbach for the Department of Development and Environmental Services;
- Larry Fay (alt. Greg Bishop) for Public Health-Seattle and King County;
- Doug Williams for the Facilities Management Division of the Department of Executive Services;
- Mike Reed for the King County Council; and
- Chandler Felt the King County demographer.
