

Industrial Waste Program Delegation of Signatory Authority Form

The King County Industrial Waste Program's governing ordinance requires that all wastewater discharge permit applications and user (self-monitoring) reports be signed by an "authorized representative" of the industrial user. "Authorized representative" is defined by King County Code 28.82 as follows:

"Authorized Representative of Industrial User" may be:

- 1. A principal executive officer of at least the level of vice president, if the industrial user is a corporation;*
- 2. A general partner or proprietor if the Industrial User is a partnership or proprietorship, respectively;*
- 3. A director or highest official appointed or designated to oversee the operation and performance of the industry if the Industrial User is a government agency;*
- 4. A duly authorized representative of the individual designated above if such representative is responsible for the overall operation of the facilities from which the indirect discharge originates.*

Signatory authority to sign reports and applications that are submitted to the King County Industrial Waste Program (KCIW) may be delegated to an individual or a position (e.g., Plant Manager, Supervisor, Manager, etc.). In order for us to have complete and accurate information, **please complete the form below and submit it to King County Industrial Waste, 130 Nickerson Street, Suite 200, Seattle, Washington 98109-1658.** You may also submit this information on your own letterhead. This delegation of signatory authority may be amended by the industrial user at any time by providing KCIW with a new delegation of signatory authority form or by letter.
