

### **Project Update, December 2008**

The King County Wastewater Treatment Division is preparing to repair a severely corroded sewer pipeline segment along **Bellevue-Redmond Road between 143<sup>rd</sup> Avenue Northeast and down through Northeast 16<sup>th</sup> Place** as part of the Hydrogen Sulfide (H<sub>2</sub>S) Corrosion Control Program.

### **Project Duration:**

*(\*Please note: this schedule is the contractor's best estimate on the timing of activities and is subject to change.)*

- January – March 2009\*

### **Hours of Construction:**

- Monday through Friday: 7:00 a.m.-4:00 p.m. (as late as 10:00 p.m. on some occasions)
- Some weekends: 9:00 a.m.-6:00 p.m.
- Sewage bypass pumps will run 24 hours a day for the project duration

### **What to Expect:**

- Traffic revisions
  - Westbound curb lane of Bellevue-Redmond Road to be closed between Northeast 20<sup>th</sup> Place and 134<sup>th</sup> Avenue Northeast
  - Sidewalk closed: north side of Bellevue-Redmond Road from 134<sup>th</sup> Avenue Northeast to 143<sup>rd</sup> Avenue Northeast (bus stop just west of 140<sup>th</sup> Avenue Northeast to remain accessible)
- Traffic delays
  - In addition to the above, there will be a few days of trenching across Bellevue-Redmond Road, and trenching at the intersection of 140<sup>th</sup> Avenue Northeast/ Bellevue-Redmond Road will cause significant delays
  - Trenching at 140<sup>th</sup> Avenue Northeast/Bellevue-Redmond Road will be done on weekends to minimize delays, but drivers will be asked to avoid the area on those weekends.
- Construction equipment
  - Temporary sewage by-pass pumps and pipes
  - Trucks
  - Backhoe
- Noise
  - Construction equipment and activities
  - Sewage bypass pumping operations 24 hours a day throughout project duration
- Bus Rte. #233 revisions
  - Westbound bus stop at Highland Community Center will be relocated to approximately 100 feet east of Northeast 20<sup>th</sup> Place for the project duration.

King County is committed to being a good neighbor during construction. The project team will continue to work with community members to minimize disruptions to the daily lives of those living and working near the construction zone. **A project construction information hotline has been set-up to answer any questions or concerns, (206) 205-3884**
