24-hour project hotline/Para más información*: 206-296-3848

(*Señale su idioma y llamaremos a un intérprete. El servicio es gratuito.)

During the week of November 28, 2011, King County contractors for the Ballard Siphon project will begin work at the West Commodore Way project site (south site) to install the project site entrance on 24th Avenue West. Crews will also install equipment in the West Commodore Way northern right of way at 24th Avenue West.

Parking along the northeastern corner of the 24th Avenue and West Commodore Way intersection will be closed for the duration of the project effective November 29, 2011.

West Commodore Way's westbound lane and northern right of way near 24th Avenue West will be closed temporarily during the week of November 28.

Both project sites will be closed Thursday, November 24 – Sunday November 27, 2011.

King County urges community members to follow traffic control personnel directions at the south site and take extreme caution when passing through the 24th Avenue West and West Commodore Way intersection. Pedestrians in Ballard should follow sidewalk detour signs around the north site. Bicyclists should consider detouring around the north site on Leary Avenue Northwest.
