Driving Directions:

From I-5, take James Street Exit. Go west off the ramp, go west on James Street. Turn left on Fifth Avenue and go south two blocks to Terrace Street. Yesler Building is located at 5th and Terrace; the entrances are off Terrace Street. There are several pay parking lots close to the Yesler Building. Pay parking lots are on Yesler Way east of the Yesler Building and on 5th Ave south of Terrace. **If you are attending a workshop, please do not use metered parking.**

The main entrance to the Yesler Building is on Terrace Street on the north side of the building, between Fourth Avenue and Fifth Avenue. (Do not attempt to enter on the Yesler Way side, which requires an employee key card).

The accessible entrance, which has an automated door, is on Terrace Street just to the west of the main entrance. The Yesler Building is on a very steep hill, so those who have mobility disabilities should approach it from Fifth Avenue if possible.
