# CONSTRUCTION REPORT
## WATER RECREATION FACILITIES

Chapter 246-260-021 Washington Administrative Code

(6) Upon completion of WRF (Water Recreation Facility) construction, modification, or alteration and before an operating permit is issued, owners shall:

(a) Submit to the department or local health officer a construction report signed by an engineer or architect stating that to the best of the engineer's or architect's knowledge and belief, the installation is in compliance with the approved plans. The engineer's and architect's certification of the above condition in no way relieves any other party from meeting requirements imposed by contract or other regulations, including commonly accepted industry practice;

- "Certifying" means that to the best of the Architect's or Engineer's knowledge and belief, the installation is in compliance with the approved plans. The Architect and Engineer's certification of above conditions in no way relieves any other party from meeting requirements imposed by contract or other regulations, including commonly accepted industry practices.
