**AMENDMENT TO THE KING COUNTY COUNTYWIDE PLANNING  
POLICES FINAL DRAFT, DATED JUNE 15, 2011.**

*In Chapter Development Patterns on page 28 amend Policy DP-50, as follows:*

**DP-50** Limit new public facilities located in the Rural Area to a size and scale appropriate to serve the Rural Area unless the public facilities are consistent with a rural location, such as a large passive park. Public school districts that are entirely within the Rural Area may locate schools and school facilities as necessary.

**Effect:** Allows school districts that are entirely within the Rural Area to be able to site schools and school facilities to meet the needs of the district. Currently, the Vashon Island School District is the only district in King County that is completely within the Rural Area.
