**AMENDMENT TO THE KING COUNTY COUNTYWIDE PLANNING  
POLICES FINAL DRAFT, DATED JUNE 15, 2011.**

*In Chapter Public Facilities and Services on page 46 amend Policy PF-12, as follows:*

**PF-12** Prohibit sewer expansion in the Rural Area and Resource Lands except where needed to address specific health and safety problems threatening existing structures. If needed, provide such sewer expansion in a manner that does not increase development potential in the Rural Area. Schools and school facilities serving public school districts that are entirely within the Rural Area are exempt from this provision.

**Effect:** Allows school districts that are entirely within the Rural Area to be able to serve their schools and school facilities with sewer service. Currently, the Vashon Island School District is the only district in King County that is completely within the Rural Area.
