**TECHNICAL AMENDMENT TO THE KING COUNTY COUNTYWIDE
PLANNING POLICES FINAL DRAFT, DATED JUNE 15, 2011.**

In Chapter Vision & Framework on page 10 amend Policy FW-2, as follows:

FW-2 Monitor and benchmark the progress of the Countywide Planning Policies towards achieving the Regional Growth Strategy inclusive of the environment, development patterns, housing, the economy, transportation and the provision of public services. Identify corrective actions to be taken if progress towards benchmarks is (~~are~~) not being achieved.

Effect: The proposed amendment would clarify that corrective actions are not needed if progress is being made. It would be counterproductive to require corrective actions when progress is being made but the benchmark has not yet been achieved.
