A King County pet license includes many benefits.

- The Vacation Pet Alert program allows you to provide King County Pet Licensing with your pet caretaker contact information when you are away, so that the correct person can be contacted if the pet is found away from home. Register by calling 206-296-2712.
- If your pet is lost, visit the Kent shelter, your closest local shelter, and call the pet information line to report a missing pet (206-296-7387). If you find a pet, call the number on the pet license tag (206-296-2712)--24 hours a day, seven days a week--to get the phone number for the owner.
- The first time your pet is found, King County staff will attempt to deliver your pet to your home immediately, skipping a trip to the animal shelter.
- If your licensed pet is found away from home, it will be safely cared for at the King County Animal Shelter in Kent for a longer time, while continued attempts are made to reunite you with your pet.
- If the time comes, you can bring your pet to the King County Animal Shelter to be humanely euthanized with no additional charge to you, saving you the cost of this service through a veterinarian.

Pet license fees support the return of lost pets to their homes and help thousands of homeless animals in King County find new families each year. Other services funded by pet licensing include animal cruelty and neglect investigations, spay/neuter programs to reduce pet over-population, and the rescue of injured animals.

Regional Animal Services of King County accepts donations to the Animal Benefit Bequest Fund.

For more information or to make a donation online, visit www.kingcounty.gov/pets, or call (206) 296-2712.

Just turned 65?

If your pet is spayed or neutered, you may be eligible for a senior discount. To purchase a senior discount pet license, complete and mail this application, or visit a pet license sales location, or go online at www.kingcounty.gov/pets. You will need to provide proof of your age and proof that the pet is spayed or neutered.
