Corrections

Excel Budget Forms. An additional section for Program Operating Expenses has been added to the budget forms. The revised Excel Budget Forms are now available on the HCD website. Please note, the excel budget worksheet does not include the 5 page maximum for the narrative questions.

Questions and Answers

- Q:** Looking at the available funding amount of approximately \$1.2 million for three years are you planning on this being a two year funded program at \$600,000 annually.
- A:** No. An annual amount of approximately \$400,000 is available for the King County RR-SP, for three years of programming (a total of approximately \$1.2 million). This is a correction to the Budget Section, on page 7 of the RFQ.
