

## Proposed bus route changes for fall 2012

### Route 50 – New

#### Proposal

- **New Route 50 would replace Route 56** ([current map](#)) between Alki and SODO.
- **New Route 50 would replace Route 34 Express** ([current map](#)) between Seward Park and Rainier Avenue S/S Genesee Street, and Route 39 ([current map](#)) between Seward Park and SODO via Othello Station.

#### Change from November 2011 suggestion

Reduce frequency from 15-30 minutes to 20-30 minutes during peak hours.

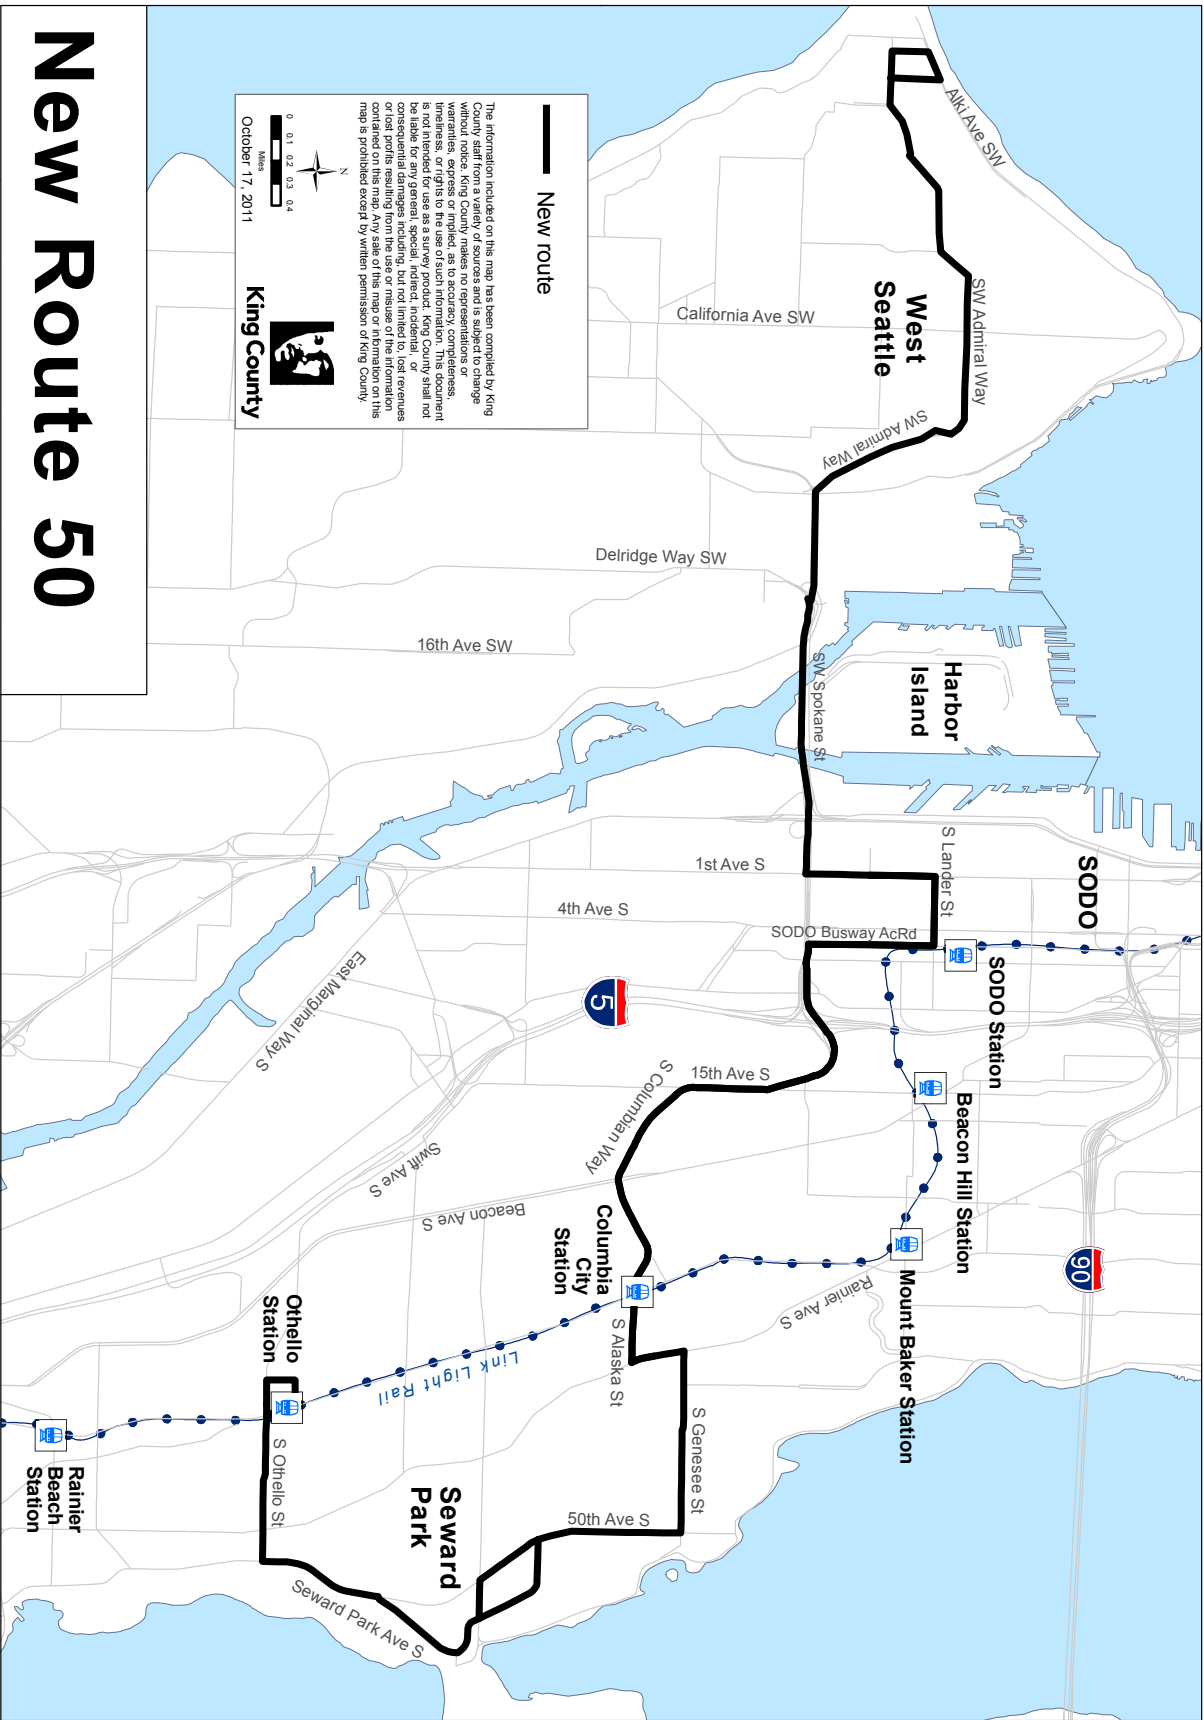

#### Reason(s) based on Metro's Service Guidelines

- **Create network connections.** Route 50 would connect with three Link light rail stations (SODO, Columbia City, and Othello) and with many bus routes between West Seattle and Seward Park.
- **Serve multiple destinations.** Many Metro routes currently serve downtown Seattle. Reducing the number of direct connections to downtown Seattle would allow us to expand service to other places.

#### Service frequency

Route	Minutes between buses				
	Weekday			Saturday	Sunday
	Peak	Off-Peak	Night		
<b>50</b>	20-30	30	60	30	60
