

## DO YOU WANT TO MAKE A DIFFERENCE IN THE LIFE OF A CHILD WITH SPECIAL NEEDS?

*Join our team at KINDERING and make a positive impact in your own community!*

### What is the POSITION?

- We are seeking a full time **Occupational Therapist (OT)** who loves working with infants, toddlers, and their families.
- This position provides evaluative, therapeutic and consultative services for children under age 3 who exhibit developmental delays or have a diagnosis that qualifies them for early intervention.
- This position also coaches caregivers in ways to promote achievement of outcomes as outlined in the child's individualized family service plan.

### Why KINDERING?

- Kindering is an award winning, not-for-profit, neurodevelopmental center which has provided comprehensive services for children and their families since 1962.
- In 2015, Kindering served approximately 4,000 children and their families through developmental assessments; physical, speech, feeding, and infant mental health therapies; special education; toddler preschool; childcare consultation; home visiting; foster/kinship care interventions; family counseling; and parent education.
- As a Center of Excellence (CoE), our programs are built on current research and the needs of the community.

### What is it like to WORK at Kindering?

- Kindering currently employs professionals who collaborate on current issues and work within multidisciplinary teams.
- New employees are mentored by a seasoned professional.
- Occupational Therapists connect not only with their colleagues, but with the children and their families.
- We offer a competitive salary and benefit package.

### Required Education & Experience:

- B.S. degree in Occupational Therapy; Master's degree preferred
- Valid Washington State Department of Health professional license
- Experience and comfort with interacting with diverse populations
- Current CPR and first aid certification or complete within 6 months of hire
- Pass Washington State DSHS criminal history background check and FBI fingerprint check
