

# BALLARD SIPHON

## Replacement Project

Department of Natural Resources and Parks • Wastewater Treatment Division

May 20, 2013

### Shoring will be removed near West Commodore Way beginning May 21; near neighbors may experience vibration

*La protección de excavación va a ser removida al West Commodore Way comenzando el 21 de mayo;  
vecinos cerca pueden sentir vibraciones*

Beginning Tuesday, May 21, crews will remove the shoring installed for the afterbay structure construction on the south side of West Commodore Way (see map). **Near neighbors may experience noise and vibration.**

Crews expect to remove the majority of the shoring by Friday, May 24. Additional work to remove shoring may be required the week of May 27. Crews will not be working Memorial Day weekend (May 25-27). ***Thank you for your patience during this work.***

Tunneling activities continue 24 hours a day, Monday through Saturday from the south shaft toward the north shaft in Ballard. Crews may work some Sundays.

King County urges drivers and bicyclists to continue to use caution near the site.

#### WHAT TO EXPECT AT THE SOUTH SITE:

- Noise and vibration beginning May 21; possible vibration the week of May 27 (no work May 25-27)
- Afterbay structure construction weekdays from 7 a.m. to 6 p.m.
- Tunneling activity on the project site involving equipment and trucks 24 hours a day, Monday through Saturday and some Sundays.
- Increased truck traffic around West Commodore Way
- Additional nighttime noise and lighting
