

## **Murray CSO Control Facility Design Advisory Group**

December 13, 2011 Meeting Agenda

### **Meeting Goals:**

- To follow up from Meeting #1, the design workshop, and the open house
- To hear from Seattle Department of Transportation (SDOT) representative Mary Rutherford about process for potential street improvements
- To share geotechnical investigation results and how they may inform site design
- To reach a common understanding on odor control and electrical facilities, and the role of community input in the design process
- To provide feedback on design opportunities given odor control and electrical facility requirements

<b>Time</b>	<b>Topic</b>	<b>Who</b>
