

Murray

CSO CONTROL PROJECT

King County

Department of
Natural Resources and Parks
**Wastewater Treatment
Division**

Pre-Construction Public Meeting Wednesday, November 6, 6:30 – 8:30 p.m.

Fauntleroy Church, Fellowship Hall
9140 California Avenue SW, Seattle

Take this opportunity to:

- Meet and share concerns with the project team
- Understand how the project will protect public health and the environment
- Review the project schedule
- Learn about potential community impacts from construction
- Discuss how the County will work with neighbors and park users

For more information, contact Doug Marsano at 206-477-5549, doug.marsano@kingcounty.gov, or search for "Murray CSO" at www.kingcounty.gov
