

# New and reused pipe at S. Bayview St.

- New facility
- Re-used existing facility
- Existing King County pipe

New County pipe  
(4-feet wide)

Too much sewage and stormwater fills this County pipe during storms

The new County pipe connects to an abandoned pipe here

The full County pipe will spill into a new County pipe here

The abandoned pipe will be improved to send extra sewage and stormwater to a County pipe with more room

This County pipe has room for more sewage and stormwater during storms

BAYVIEW TUNNEL

S. BAYVIEW ST.
