### Mitigation Hearing

Mitigation means you admit to committing the infraction(s) but want a reduction in fines. The law does not permit a reduction in fines for a violation committed in a school zone or a construction zone. You may explain what happened, as well as any additional information related to your ability to pay. By mitigating your ticket, you are giving up your right to appeal the judge's decision and you are promising to pay the fine(s) ordered by the judge. This violation may go on your driving record if "traffic" is checked on the front of the ticket.

## About Mitigation Hearings

By requesting a mitigation hearing, I agree that I have committed the infraction(s), but I want a hearing to explain the circumstances. I understand that this will go on my driving record if "traffic" is checked on the ticket. The court may reduce the penalty where allowed by law, and will allow time payments.

Penalties for any infraction within a school zone, playground zone, or construction zone may not be waived, reduced, or suspended. Please note that photo-enforced tickets are eligible for reduction.

☒ I have read and understand the above information.
