THE CONTRACT

State of Washington
Department of General Administration
Office of State Procurement (OSP)

CONTRACT No. 00710
FOR PURCHASES OF FLOORING MATERIALS AND SERVICES
Under the Authority of Chapter 43.19 RCW

1 OVERVIEW

1.1 CONTRACT SCOPE

The purpose of this Contract is to support the as-needed purchases of flooring materials and services by authorized purchasers, which include materials, delivery, on-site labor, disposal/recycling and other services as described herein.

This Contract is intended primarily for repair or replacement projects typically about 500 square yards. While the intention of the state is to create a catalog of materials suitable for typical government, institutional and educational environments, the state acknowledges not all products may be represented by this Contract.

This Contract is Bid under the statutory authority of RCW 43.19 for the purchase of goods and services as stated herein and does not include other statutory purchasing activities by the state, e.g. Public Works under RCW 39.04.

1.2 CONTRACT SCOPE AND MODIFICATIONS

The state reserves the right to modify this Contract by mutual agreement between the state and the Contractor, so long as such modification is substantially within the scope of the original Contract. The state reserves the right to add products as the market conditions and Purchasers' needs change. Such modifications will be evidenced by issuance of a written authorized amendment by the Contract Administrator.

1.3 RECITALS

The State of Washington, acting by and through GA, issued an Invitation for Bid (IFB) for the purpose of purchasing goods and services in accordance with its authority under Chapter 43.19 RCW.

The Awarded Contractor submitted a timely Response to GA's IFB.

GA evaluated all properly submitted Responses to the above-referenced IFB and has identified the Awarded Contractor as the apparently successful Contractor.

GA has determined that entering into a Contract with the Awarded Contractor will meet Purchaser's needs and will be in Purchaser's best interest.

NOW THEREFORE, The State of Washington awards to the Awarded Contractor this Contract, the terms and conditions of which shall govern Contractor's furnishing to Purchasers the goods and services as described herein. This Contract is not for personal use.

IN CONSIDERATION of the mutual promises as hereinafter set forth, the parties agree as follows:

1.4 ESTIMATED USAGE

Based on past usage, estimated annual purchases may approximate **\$4.3 million**. This estimate is provided solely for the purpose of assisting Bidders in preparing their Response. Orders will be placed only on an as-needed basis.

The State of Washington does not represent or guarantee any minimum purchase.

While the scope of this Contract contemplates carpeting, resilient flooring, and other incidentals, the primary utility is carpeting as it represents approximately 90 percent of the estimated spend on this objective.

1.5 CONTRACT TERM

The initial term of this Contract is two (2) years from date of award with the option to extend for additional term(s) or portions thereof. Extension for each additional term or portion thereof shall be exercised at the sole discretion of the state upon written notice to Contractor. The total Contract term, including the initial term and all subsequent extensions, shall not exceed six (6) years unless an emergency exists and/or special circumstances require a partial term extension. The state reserves the right to extend with all or some of the Contractors, solely determined by the state.

1.6 PURCHASERS

General Use:

The resulting Contract is for use by all members of the Washington State Purchasing Cooperative (WSPC) including where applicable: State Agencies, Institutions of Higher Education, Political Subdivisions, and Non-Profit Corporations.

While use of the Contract by Political Subdivisions and Non-Profit Corporations that are members of the WSPC members is optional, OSP encourages them to use state Contracts. Their use of the Contracts may significantly increase the purchase volume. Their orders are subject to the same Contract terms, conditions and pricing as state agencies. OSP accepts no responsibility for orders or payment by WSPC members.

A list of WSPC members is available at <http://www.ga.wa.gov/PCA/SPC.htm>.

Purchases by Nonprofit Corporations:

Legislation allows nonprofit corporations to participate in state Contracts for purchases administered by OSP. By mutual agreement with OSP, the Contractor may sell goods or services at Contract pricing awarded under this IFB and resulting Contract to self-certified nonprofit corporations. Such organizations purchasing under the state Contract shall do so only to the extent they retain eligibility and comply with other Contract and statutory provisions. The Contractor may make reasonable inquiry of credit worthiness prior to accepting orders or delivering goods or services on Contract. The state accepts no responsibility for payments by nonprofit corporations. Their use of the Contracts may significantly increase the purchase volume. Their orders are subject to the same Contract terms, conditions and pricing as state agencies.

2 CONTRACT ADMINISTRATION

2.1 STATE CONTRACT ADMINISTRATOR

The state shall appoint a single point of contact that will be the Contract Administrator for this Contract and will provide oversight of the activities conducted hereunder. The Contract Administrator will be the principal contact for Contractor concerning business activities under this Contract.

2.2 ADMINISTRATION OF CONTRACT

GA will maintain Contract information and pricing, and make it available on the GA web site.

2.3 CONTRACTOR SUPERVISION AND COORDINATION

Contractor shall:

1. Competently and efficiently, supervise and coordinate the implementation and completion of all Contract requirements specified herein;
2. Identify the Contractor's Representative, who will be the principal point of contact for the state Contract Administrator concerning Contractor's performance under this Contract;
3. Immediately notify the Contract Administrator in writing of any change of the designated Contractor's Representative assigned to this Contract; and
4. Be bound by all written communications given to or received from the Contractor's Representative.

Violation of any provision of this paragraph may be considered a material breach establishing grounds for Contract termination.

2.4 POST AWARD CONFERENCE

Contractor may be required to attend a post award conference scheduled by the Procurement Coordinator to discuss Contract performance requirements. The time and place of this conference will be scheduled following Contract award.

2.5 CONTRACT MANAGEMENT

Upon award of this Contract, the Contractor shall:

1. Review the impact of the award and take the necessary steps needed to ensure that Contractual obligations will be fulfilled.
2. Promote and market the use of this Contract to all authorized Contract Purchasers.
3. Ensure that those who endeavor to utilize this Contract are authorized Purchasers under this Contract.
4. Assist Purchasers, at no additional charge, in the following manner to make the most cost effective, value based, purchases including, but not limited to:
 - a) Visiting the Purchaser site and providing Purchaser with materials/supplies/equipment recommendations.
 - b) Providing Purchasers with a detailed list of Contract items including current Contract pricing and part numbers.
5. Designate a Purchaser service representative who will be responsible for addressing Purchaser issues including, but not limited to:
 - a) Logging requests for service, ensuring repairs are completed in a timely manner, dispatching service technicians, and processing warranty claim documentation.
 - b) Providing Purchasers with regular and timely status updates in the event of an order or repair fulfillment delay.
 - c) Acting as the lead and liaison between the manufacturer and Purchaser in resolving warranty claims for Contract items purchased.

2.6 CHANGES

Alterations to any of the terms, conditions, or requirements of this Contract shall only be effective upon written issuance of a mutually agreed Contract Amendment by the Contract Administrator. However, changes to point of contact information may be updated without the issuance of a mutually agreed Contract Amendment.

To accommodate Purchaser requirements and manufacturer discontinuations, Contractor may propose a revision to its offerings which reflects product changes appropriate to the scope of the Contract to the Contract Administrator for approval. Proposed pricing shall remain consistent with Bid pricing. Contract Administrator has the sole discretion in approval of revised offerings and pricing. New products proposed by Contractor must meet the requirements established in this Solicitation document or subsequent revisions. Upon OSP approval, product additions will be implemented by written amendment.

The Department of Labor and Industries will publish prevailing wage rates on the first business day of February and August of each year. The wage rates will become effective thirty (30) days following publication. For all Contracts, the prevailing wage rates which are in effect on the Bid opening date or on the effective date of any extension of the Contract are the wage rates that must be paid for the duration of the Contract.

The appropriate labor classifications and prevailing wage rates are identified herein. These certificates are acceptable to the Department of Labor and Industries. Sheltered workshops for the handicapped may submit a request to the Department of Labor and Industries for a special certificate, which would, if approved, entitle them to pay their employees at wages, lower than the established prevailing wage.

5.4 DELIVERY

Delivery must be made during Purchaser's normal work hours, per Purchaser's security and access processes and within time frames either:

The Contractor shall verify specific working hours of individual Purchasers and instruct carrier(s) to deliver accordingly. The acceptance by the Purchaser of late performance, with or without objection or reservation by the Purchaser, shall not waive the right to claim damage for such breach, nor preclude the state or Purchaser from pursuing any other remedy provided herein, including termination, nor shall such acceptance of late performance constitute a waiver of the requirements for the timely performance of any obligation remaining to be performed by Contractor.

When applicable, the Contractor shall take all necessary actions to safeguard items during inclement weather. In no case shall the Contractor initiate performance prior to receipt of written or verbal authorization from authorized Purchasers. If there are any apparent defects in the materials, supplies, or equipment at the time of delivery, the Purchaser will promptly notify the Contractor. Without limiting any other rights, the Purchaser may require the Contractor at Contractor's expense to: (1) repair or replace any or all of the damaged goods; (2) refund the price of any or all of the damaged goods; or (3) accept the return of any or all of the damaged goods.

Limit Adjustments:

The state reserves the right to increase or decrease limits as appropriate.

9.9 INDUSTRIAL INSURANCE COVERAGE

The Contractor shall comply with the provisions of Title 51 RCW Industrial Insurance. If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, the state may terminate this Contract. 9.13 WAIVER

Failure or delay of the state or Purchaser to insist upon the strict performance of any term or condition of the Contract or to exercise any right or remedy provided in the Contract or by law; or the state's or Purchaser's acceptance of or payment for materials, supplies, services and/or equipment, shall not release the Contractor from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of the state or Purchaser to insist upon the strict performance of the entire agreement by the Contractor. In the event of any claim for breach of Contract against the Contractor, no provision of this Contract shall be construed, expressly or by implication, as a waiver by the state or Purchaser of any existing or future right and/or remedy available by law.

10 DISPUTES AND REMEDIES

10.1 PROBLEM RESOLUTION AND DISPUTES

Problems arising out of the performance of this Contract shall be resolved in a timely manner at the lowest possible level with authority to resolve such problem. If a problem persists and cannot be resolved, it may be escalated within each organization.

In the event a bona fide dispute concerning a question of fact arises between the state or the Purchaser and Contractor and it cannot be resolved between the parties through the normal problem escalation processes, either party may initiate the dispute resolution procedure provided herein. The dispute shall be handled by a Dispute Resolution Panel in the following manner. Each party to this Contract shall appoint one member to the Panel. These two appointed members shall jointly appoint an additional member. The Dispute Resolution Panel shall review the facts, Contract terms and applicable statutes and rules and make a determination of the dispute as quickly as reasonably possible. The determination of the Dispute Resolution Panel shall be final and binding on the parties hereto. The state and/or Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

In the event a bona fide dispute concerning a question of fact arises between the state or the Purchaser and Contractor and it cannot be resolved between the parties through the normal escalation processes, either party may initiate the dispute resolution procedure provided herein.

The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within three (3) Business Days. The initiating party shall have three (3) Business Days to review the Response. If the dispute cannot be resolved after three (3) Business Days, a Dispute Resolution Panel may be requested in writing by either party who shall also identify the first panel member. Within three (3) Business Days of receipt of the request, the other party will designate a panel member. Those two panel members will appoint a third individual to the Dispute Resolution Panel within the next three (3) Business Days.

The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.

Each party shall bear the cost for its panel member and share equally the cost of the third panel member.

Both parties agree to be bound by the determination of the Dispute Resolution Panel.

Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible.

The state, the Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

If the subject of the dispute is the amount due and payable by Purchaser for materials, supplies, services and/or equipment being provided by Contractor, Contractor shall continue providing materials, supplies, services and/or equipment pending resolution of the dispute provided Purchaser pays Contractor the amount Purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

10.2 ADMINISTRATIVE SUSPENSION

When it is in the best interest of the state, the state may at any time, and without cause, suspend the Contract or any portion thereof for a period of not more than thirty (30) calendar days per event by written notice from the Contract Administrator to the Contractor's Representative. Contractor shall resume performance on the next business day following the 30th day of suspension unless an earlier resumption date is specified in the notice of suspension. If no resumption date was specified in the notice of suspension, the Contractor can be demanded and required to resume performance within the 30 day suspension period by the Contract Administrator providing the Contractor's Representative with written notice of such demand.

10.3 FORCE MAJEURE

The term "force majeure" means an occurrence that causes a delay that is beyond the control of the party affected and could not have been avoided by exercising reasonable diligence. Force majeure shall include acts of God, war, riots, strikes, fire, floods, epidemics, or other similar occurrences.

Exceptions: Except for payment of sums due, neither party shall be liable to the other or deemed in breach under this Contract if, and to the extent that, such party's performance of this Contract is prevented by reason of force majeure.

Notification: If either party is delayed by force majeure, said party shall provide written notification within forty-eight (48) hours. The notification shall provide evidence of the force majeure to the satisfaction of the other party. Such delay shall cease as soon as practicable and written notification of same shall likewise be provided. So far as consistent with the Rights Reserved below, the time of completion shall be extended by Contract amendment for a period of

time equal to the time that the results or effects of such delay prevented the delayed party from performing in accordance with this Contract.

Rights Reserved: The state reserves the right to authorize an amendment to this Contract, terminate the Contract, and/or purchase materials, supplies, equipment and/or services from the best available source during the time of force majeure, and Contractor shall have no recourse against the state.

10.4 ALTERNATIVE DISPUTE RESOLUTION FEES AND COSTS

In the event that the parties engage in arbitration, mediation or any other alternative dispute resolution forum to resolve a dispute in lieu of litigation, both parties shall share equally in the cost of the alternative dispute resolution method, including cost of mediator or arbitrator. In addition, each party shall be responsible for its own attorneys' fees incurred as a result of the alternative dispute resolution method.

10.5 NON-EXCLUSIVE REMEDIES

The remedies provided for in this Contract shall not be exclusive but are in addition to all other remedies available under law.

10.6 LIMITATION OF LIABILITY

The parties agree that neither Contractor, the state nor Purchaser shall be liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages except a claim related to bodily injury or death, or a claim or demand based on patent, copyright, or other intellectual property right infringement, in which case liability shall be as set forth elsewhere in this Contract. This section does not modify any sections regarding damages or any other conditions as are elsewhere agreed to herein between the parties. The damages specified in the sections titled Termination for Default and Retention of Records are not consequential, incidental, indirect, or special damages as that term is used in this section.

Neither the Contractor, the state nor Purchaser shall be liable for damages arising from causes beyond the reasonable control and without the fault or negligence of the Contractor, the state or Purchaser. If delays are caused by a Subcontractor without its fault or negligence, Contractor shall not be liable for damages for such delays, unless the Services to be performed were obtainable on comparable terms from other sources in sufficient time to permit Contractor to meet its required performance schedule.

Neither party shall be liable for personal injury to the other party or damage to the other party's property except personal injury or damage to property proximately caused by such party's respective fault or negligence.

In the event that Contractor fails to perform a Contractual requirement or materially breaches any term or condition, the state may issue a written cure notice. The Contractor may have a period of time in which to cure. The state is not required to allow the Contractor to cure defects if the opportunity for cure is not feasible as determined solely within the discretion of the state. Time allowed for cure shall not diminish or eliminate Contractor's liability for damages, or otherwise affects any other remedies available against Contractor under the Contract or by law.

If the breach remains after Contractor has been provided the opportunity to cure, the state may do any one or more of the following:

1. Exercise any remedy provided by law;
2. Terminate this Contract and any related Contracts or portions thereof;

If corrective action is not taken within thirty (30) calendar days or as otherwise specified by the Contract Administrator, or if such corrective action is deemed by the Contract Administrator to be insufficient, the Contract may be terminated. The Contract Administrator reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged breach and pending corrective action by the Contractor or a decision by the Contract Administrator to terminate the Contract.

In the event of termination, the state shall have the right to procure for all Purchasers any replacement materials, supplies, services and/or equipment that are the subject of this Contract on the open market. In addition, the Contractor shall be liable for damages as authorized by law including, but not limited to, any price difference between the original Contract and the replacement or cover Contract and all administrative costs directly related to the replacement Contract, e.g., cost of the competitive Bidding, mailing, advertising and staff time.

If it is determined that: (1) the Contractor was not in material breach; or (2) failure to perform was outside of Contractor's or its Subcontractor's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience". The rights and remedies of the state and/or the Purchaser provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

11.4 TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Contract, the state, at the sole discretion of the Contract Administrator, may terminate this Contract, in whole or in part by giving thirty (30) calendar days or other appropriate time period written notice beginning on the second day after mailing to the Contractor. If funds are not allocated to Purchaser(s) to continue this Contract in any future period, the state may terminate this Contract by seven (7) calendar days written notice to Contractor or work with Contractor to arrive at a mutually acceptable resolution of the situation. Purchaser will not be obligated to pay any further charges for materials, supplies, services and/or equipment including the net remainder of agreed to consecutive periodic payments remaining unpaid beyond the end of the then-current period. The state and/or Purchaser agree to notify Contractor in writing of such non-allocation at the earliest possible time.

No penalty shall accrue to the Purchaser in the event this section shall be exercised. This section shall not be construed to permit State to terminate this Contract in order to acquire similar materials, supplies, services and/or equipment from a third party.

11.7 TERMINATION FOR CONFLICT OF INTEREST

The state may terminate this Contract by written notice to Contractor if it is determined, after due notice and examination, that any party to this Contract has violated Chapter 42.52 RCW, Ethics in Public Service, or any other laws regarding ethics in public acquisitions and procurement and performance of Contracts. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The Purchaser shall pay to the Contractor the agreed upon price, if separately stated, for completed work and service(s) Accepted by the Purchaser, and the amount agreed upon by the Contractor and the Purchaser for (i) completed materials, supplies, services rendered and/or equipment for which no separate price is stated, (ii) partially completed materials, supplies, services rendered and/or equipment, (iii) other materials, supplies, services rendered and/or equipment which are Accepted by the Purchaser, and (iv) the protection and preservation of property, unless the termination is for cause, in which case the state and the Purchaser shall determine the extent of the liability of the Purchaser. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Contract. The Purchaser may withhold from any amounts due the Contractor such sum as the Contract Administrator and Purchaser determine to be necessary to protect the Purchaser against potential loss or liability.

The rights and remedies of the state and/or the Purchaser provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
