How can my agency participate in the U.S. Communities program?

Complete the online registration.

Who can participate?

All States, State Agencies, Counties, Cities, Schools, Colleges and Universities, Non-Profits and Special Districts.

Does my agency need to be a member of ASBO, NACo, USCM, NIGP or NLC to participate?

No, All qualified agencies can participate in the program.

My state requires local governments to bid everything. Can local governments in my state use this program without going out to bid?

Yes. The contract has been competitively bid by a government agency. Through the Joint Powers Authority or an inter-local agreement, local governments can "piggy-back" this competitively bid contract through U.S. Communities. This satisfies the competitive bid requirements in most states. See state by state laws on intergovernmental purchasing.

What does a government agency need to do in order to participate?

Complete the free online registration found on the U.S. Communities website. During the registration process, you will be asked to select the suppliers you are interested in. The suppliers that you select will contact you with detailed pricing and ordering information.

Is there a fee associated with joining U.S. Communities?

No, there are no costs or user fees to the local agency to participate or register.

If my agency already has an account with you, do I need to set up a new account?

No. Contact your AmSan or CleanSource Account Representative at uscommunities@interlinebrands.com to have the U.S. Communities program linked to your existing account.

Does the competitive pricing apply, regardless of quantity?

AmSan – CleanSource and the U.S. Communities partnership assures an agency they are getting a very competitive price on any size order. There are no costs, minimum quantity requirements or spend limits associated with using the AmSan – CleanSource U.S. Communities program.
