Without limiting the rights and remedies available to the County under any other provision of the Master Agreement, failure of the Supplier to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate the Master Agreement pursuant to Termination for Default herein, and pursue debarment of the Supplier, pursuant to County Code Chapter 2.202.

TERMINATION FOR CONVENIENCE

The Master Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. C. Except with respect to defaults of any Subcontractor, the Supplier shall not be liable for any such excess costs of the type identified herein if its failure to perform the Master Agreement arises out of causes beyond the control and without the fault or negligence of the Supplier. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Supplier. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Supplier and Subcontractor, and without the fault or negligence of either of them, the Supplier shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Supplier to meet the required performance schedule. As used in this paragraph, the term "Subcontractor(s)" means Subcontractor(s) at any tier.

C. If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that the Supplier was not in default under the provisions herein, or that the default was excusable under the provisions, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Termination for Convenience, as described herein.

D. The rights and remedies of the County provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Master Agreement.

TERMINATION FOR IMPROPER CONSIDERATION

The County may, by written notice to the Supplier, immediately terminate the right of the Supplier to proceed under the Master Agreement if it is found that consideration, in any form, was offered or given by the Supplier, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing the Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of the Master Agreement or the making of any determinations with respect to the Supplier's performance pursuant to the Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Supplier as it could pursue in the event of default by the Supplier.

A. The Supplier shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

B. Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

A. Insolvency of the Supplier. The Supplier shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Supplier is insolvent within the meaning of the Federal Bankruptcy Code;

B. The filing of a voluntary or involuntary petition regarding the Supplier under the Federal Bankruptcy Code; the appointment of a Receiver or Trustee for the Supplier; or the execution by the Supplier of a general assignment for the benefit of creditors.

The rights and remedies of the County provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Master Agreement.

Notwithstanding any other provision of the Master Agreement, the County shall not be obligated for the Supplier's performance hereunder or by any provision of the Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for use under the Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated, then the Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Supplier in writing of any such non-allocation of funds at the earliest possible date.

VALIDITY

If any provision of the Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of the Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

WAIVER

No waiver by the County of any breach of any provision of the Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of the Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth herein shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Master Agreement.

WARRANTY AGAINST CONTINGENT FEES

The Supplier warrants that no person or selling agency has been employed or retained to solicit or secure the Master Agreement upon any contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Supplier for the purpose of securing business. For breach of this warranty, the County shall have the right to terminate the Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

PARTICIPATING MUNICIPALITIES

Excluding any local awards, the County has designated U.S. Communities Government Purchasing Alliance (herein U.S. Communities) as the agency to provide administrative services related to purchases by other governmental entities (Participating Public Agencies) under the Master Agreement. At the County's sole discretion and option, and upon Supplier entering into the requisite U.S. Communities Administration Agreement, Participating Agencies may acquire products under the Master Agreement. Such acquisitions shall be at the prices stated in the Master Agreement, or lower.

The awarded Supplier(s) must deal directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, contractual disputes, invoicing, and payment. The County is acting as Contracting Agent for the Participating Public Agencies and shall not be held liable for any costs, damages, etc. incurred by any other Participating Public Agency.

In no event shall the County be considered a dealer, remarketer, agent or representative of the Supplier.

If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sale discretion, that Contractor demonstrate to the county's satisfaction that Contractor either continues to remain outside of the Jury service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material. breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

C. If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that the Supplier was not in default under the provisions herein, or that the default was excusable under the provisions, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Termination for Convenience, as described herein.

TERMINATION FOR IMPROPER CONSIDERATION

The County may, by written notice to the Supplier, immediately terminate the right of the Supplier to proceed under the Master Agreement if it is found that consideration, in any form, was offered or given by the Supplier, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing the Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of the Master Agreement or the making of any determinations with respect to the Supplier's performance pursuant to the Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Supplier as it could pursue in the event of default by the Supplier.

A. The Supplier shall immediately report any attempt by a County officer or employee to solicit such improper consideration. TERMINATION FOR NON APPROPRIATION OF FUNDS

Notwithstanding any other provision of the Master Agreement, the County shall not be obligated for the Supplier's performance hereunder or by any provision of the Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for use under the Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated, then the Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Supplier in writing of any such non-allocation of funds at the earliest possible date.

VALIDITY

If any provision of the Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of the Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

WAIVER

No waiver by the County of any breach of any provision of the Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of the Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth herein shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Master Agreement.
