SECTION 6 Bid Response

6.1 Rules of Price Evaluation

Bids meeting all requirements of this ITB will be evaluated on price. Bids stating price in effect at the time of shipment will not be accepted.

6.2 Service Expectation

The Contractor shall be required to maintain sufficient stock of items listed in this ITB to ensure prompt receipt of the items ordered. The contract involves products that are necessary to perform critical King County services. Any delay in order receipt could disrupt County services and force the County to immediately seek alternative sources of supply on an emergency basis. Timely delivery is critical to meeting the County's ongoing needs.

Contractor's employees shall be knowledgeable on all of the products listed. The Contractor shall assist purchasers in making cost effective purchases. Assistance includes but is not limited to suggesting new products and/or methods, economic order quantities, and less costly substitutes of equal quality.

The Contractor shall be currently supporting and maintaining an inventory of the items defined in this bid. A site visit may be completed prior to contract award to determine if the successful Bidder is capable of performing within the terms of the contract.

Bids shall include the Bidder's Hours of Operation and their commercial facility address.
