FIRERESCUE GPO

FireRescue GPO is a group purchasing organization providing your fire department and its members access to aggressively priced contracts with vendors who supply goods and services to the fire service. These contracts are often established through a competitively bid public RFP process that allows members to “piggy-back” on the contract— eliminating the need for member departments to complete an RFP process.

- You must be a member to access contracts
- Membership is free and without any purchasing obligations
- Departments save time and money on the procurement process

PRODUCT OFFERING

L.N. Curtis & sons is a distinguished leader in fire rescue, safety, and emergency products and services for America’s First Responders. These products include breathing air products, protective clothing, personal protective equipment, fire hose, loose equipment, and more. L.N.Curtis & sons and the FireRescue GPO have a competitively bid, publically awarded contract available to members.

DISCOUNT PRICING

This contract was the result of a competitively bid and publically awarded process and offers a **5% to 40% discount off list price** (limited to certain states). Below is a list of some of the items and discounts that are offered.

- Turnout ensembles and accessories — **40% off list**
- Rescue Equipment, Tools, and other related products — **5% to 30% off**
- Fire Hose, nozzles — **30% off**
- Foam — **25% off**
- 5.11 Tactical — **20% off**

For specifics, please visit firerescue-gpo.com.

How to Access Contracts

To purchase L.N. Curtis & sons through FireRescue GPO, follow these easy steps:

- Login to www.firerescue-gpo.com
