

District Court: 2014 equity commitments (highlights)

1) Policy, decision making and planning

- District Court is committed to exploring the feasibility of creating a Equity and Social Justice Committee comprised of Judges, management and clerical staff. The ESJ Committee would be responsible for applying an equity lens to District Court policy and decision making.

2) Organizational practices

- District Court will hold an Equity and Social Justice Workshop in June for 20 staff to attend. The morning of the workshop will explore ESJ issues in the Court system and the afternoon session will be training for our staff on the County ESJ program.

3) Community engagement, communication and customer service
