

King County Industrial Waste (KCIW) Industrial User Survey

MWPAAC Engineering and Planning Subcommittee
October 1, 2015

King County

Department of
Natural Resources and Parks

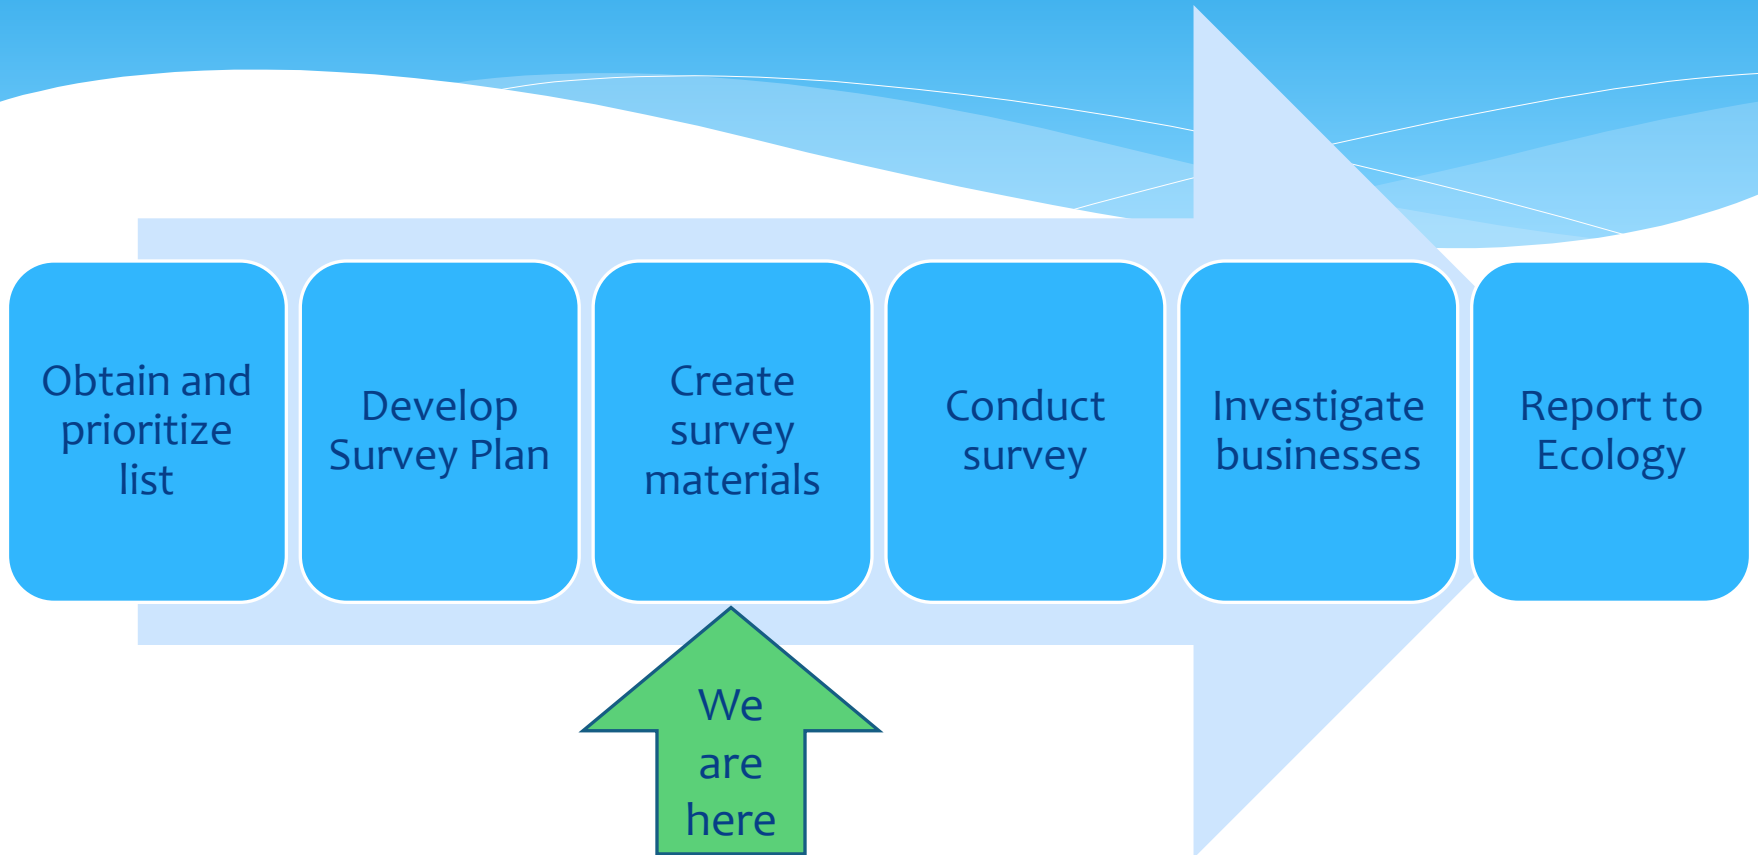

Wastewater Treatment Division

Industrial User Survey

- Inventory thousands of businesses throughout King County's service area.
- Determine which businesses need permits or authorizations to send industrial wastewater to the sewer.
- Meet EPA & Ecology requirements

Project plan

King County

Department of
Natural Resources and Parks

Wastewater Treatment Division

Promoting the survey

- Mail survey to 50,000 businesses
- Web page with FAQ
- Outreach to MWPAAC, local agency staff, & industry groups
 - Information about the survey
 - Language for their web sites and materials
 - Contact information

How MWPAAC can help

- Review survey questions
- Help us share information about the survey with your agency staff
- Promote survey in your materials & web site

Working cooperatively with businesses to protect people, the environment, and the economy since 1969.
