PLEASE PROTECT YOURSELF AND COWORKERS FROM COVID-19

Stay home if you have any of these symptoms:

- fever
- OR
- shortness of breath
- OR
- cough

Other symptoms:
- chills
- muscle pain
- sore throat
- loss of taste or smell

DON’T:
- Wear your mask so it covers just the tip of your nose.
- Push your mask under your chin to rest on your neck.
- Wear your mask below your nose.
- Leave your chin exposed.
- Wear the mask so it covers just the tip of your nose.

DO wear a fabric mask safely.

✔ Always wash your hands before and after wearing a mask.
✔ Use the ties or loops to put your mask on and pull it off.
✔ Don’t touch the front of the mask, especially when you take it off.
✔ Put on and remove your mask while inside your home. Public transportation, elevators and stairwells can be high-contamination areas.
✔ Wash and dry your cloth mask daily and keep it in a clean, dry place.
✔ Remember that masks offer only limited protection and work best in combination with hand washing and physical distancing.

Wash your hands often for 20 seconds.

This is about as long as singing the “Happy Birthday Song” twice.

Other symptoms:
- • chills
- • muscle pain
- • sore throat
- • loss of taste or smell
