Effective Monday 03/30/2020**Limited Inspection Services**

Due to the Governor's order to suspend construction activities, most construction inspections have been suspended. It is the responsibility of the homeowner, contractor or agent to determine if their construction work is exempt under the [Governor's order](#) and March 25, 2020 construction [guidance memo](#).

Public Health will decline to perform inspections for any project we find prohibited under the Governor's Stay Home, Stay Healthy order and construction guidance memo.

Scheduling an Exempt Inspection

Complete this form, email to
plumbingandgasping_feedback@kingcounty.gov

Indicate - Exemption Category:

Construction related to essential activities as described in the [order](#);

To further a public purpose related to a public entity or governmental function or facility, including but not limited to publicly financed low-income housing;

To prevent spoliation and avoid damage or unsafe conditions, and address emergency repairs at both non-essential businesses and residential structures.

All active construction projects are required to meet the Governor's exemption rules as defined in the construction guidance memo, including meeting social distancing and appropriate health and worker protection measures.

To ensure the safety of all customers and staff please:

- Do not request inspections for work that is inside an occupied home or building in which occupants are displaying symptoms of illness, are currently sick, or have been sick within the past 14 days.
- Inspections may be canceled or postponed at the inspector's discretion.
