

Dental providers accepting WASHINGTON APPLE HEALTH (Medicaid) for CHILDREN living in King County

COVID-19 pandemic has required dental offices and clinics to change the way they provide care. You may see some changes at your child's next appointment. These changes are to help protect patients and staff following recommendations made by the American Dental Association (ADA), Center for Disease Control (CDC) and Occupational Safety, Health Administration (OSHA), and Washington Department of Health. All dental offices and clinics are practicing social distancing as required by the Governor until further notice.

Public Health – Seattle & King County presents this information as a service to the public. All information is general in nature and not intended to be a substitute for individual self-determination as to choice of provider. This document does not constitute a specific recommendation or endorsement of any particular health care professional. Neither the Public Health – Seattle & King County nor the Access to Baby & Child Dentistry (ABCD) Program are liable for incorrect or out of date information provided by a dentist. If there are changes to this resource list, or inaccuracies are found, please notify Carol Allen at ABCD@kingcounty.gov. The King County Access to Baby & Child Dentistry (ABCD) program focuses on preventive and restorative dental care for Medicaid eligible children from birth through 5 years. Emphasis on the **FIRST TOOTH, FIRST BIRTHDAY, FIRST DENTAL EXAM** by a dentist, or a doctor, as recommended by the Academy of Pediatric Dentistry (AAPD). Dentists with the **ABCD Program** icon  have been specially trained and certified by the University of Washington, School of Dentistry on caring for young kids, preventing tooth decay early, and educating parents about how to take good care of their children's teeth.

Healthy Options plans in King County include: Amerigroup (AMG), Coordinated Care (CCW), Community Health Plan of Washington (CHPW), Molina Health Care (MHW), UnitedHealthcare (UHC), and are for medical services. Dental is fee-for-services and is covered using your ProviderOne Client Service Card (000000000WA).
