Are you...

- living on the streets, in a camp, in a vehicle, or in a shelter?
- “couch surfing” or staying with family or friends, not on the lease?
- living in transitional housing?
- Or, have you been homeless in the past year?

If so, the **Mobile Medical Program** is for you!

On-site the mobile medical team offers:

- Doctor and nurse visits for acute and chronic conditions
- STD, HIV and Hepatitis C testing
- Pregnancy tests and birth control
- Access to behavioral health and substance use specialists
- Naloxone overdose prevention training and kits
- Dental care for pain and emergency conditions on select days

We can also help you connect to:

- A doctor’s office that can provide follow-up care
- Mental health counseling
- Substance use counseling via a harm reduction approach
- Enrollment into OrcaLift transportation assistance
- Referrals to shelter, food, benefits, legal and domestic violence programs

Our mission is to build relationships with people experiencing homelessness by providing patient-centered health and social services, meeting people where they are, and fostering health and well-being.

The Mobile Medical Program is funded by the King County Veterans, Seniors, and Human Services Levy and the City of Seattle Human Services Department. Visit us at www.kingcounty.gov/mobilemed
