 The maps in the King County Comprehensive Plan and its technical appendices are produced with a computer geographic information system. They are reduced in size but available at a larger scale. This map shows the zoning as existed at the time of plan adoption. County action subsequent to adoption of this plan, such as through Ordinances or program service changes, may produce different and updated information. This map might not be updated more frequently than the CSA Subarea Plan update cycle. The most up-to-date information can be found at <http://gismaps.kingcounty.gov/iMap/>  
 The information included on this map has been compiled by King County staff from a variety of sources and is subject to change without notice.
