Subject: Main Runway 14R/32L Overnight Closures

Date: January 17, 2018

---

The Airport has scheduled overnight closures of Main Runway 14R/32L to replace signage. Work will **begin on Thursday, Feb. 1 and is scheduled to be completed by end of day on Sunday, March 4.** All work is scheduled to take place Thursday through Sunday nights, into the following mornings.

**During the following times, Main Runway 14R/32L will be CLOSED:**

- Thursday night – Friday morning: 9:45 p.m. – 3:15 a.m.
- Friday night – Saturday morning: 9:45 p.m. – 5:30 a.m.
- Saturday night – Sunday morning: 9:45 p.m. – 8 a.m.
- Sunday night – Monday morning: 9:45 p.m. – 5:30 a.m.

Airport Operations and Maintenance staff will be onsite working closely with our contractor team and coordinating these activities with Air Traffic Control. Airport Operations will also issue airfield NOTAMs up to 72 hours in advance.

**Utility Runway 14L/32R will remain open throughout the work. Operations on that runway are limited to aircraft weighing 12,500 pounds or less.**

Please note that this work is **not** weather dependent. Please contact Airport Operations at 206-296-7334 with questions.
