

**Pass/Fail Summary of 2018 Comprehensive Plan Amendments
Proposed Ordinance 2018-0153
PRE Meeting 9-12-18**

#	Sponsor	Line #	Amendment Description	Committee Vote
S1	Lambert	n/a	Striking Amendment	Pass, as amended
T1	Lambert	n/a	If S1 passes	Pass
1 to S1	McDermott	141	Removes allowance for subarea plans to be amended with an annual update	Pass
2 to S1	McDermott	178	Limits allowance for substantive workplan changes with an annual update to the 2018 restructure.	Pass
4 to S1	McDermott	189	Removes the two-year update option, and returns to the transmitted proposal of a midpoint update that occurs in year 4. Maintains removal of the "data requirement".	Pass
5 to S1	McDermott	199	Establishes timelines for the midpoint update - including deadlines for a scoping motion, for transmittal, and for adoption.	Pass
6 to S1	McDermott	A - 251	Requires Executive staff to coordinate on subarea planning with Council offices, rather than DPER staff. Removes language regarding issuance of a public review draft from lead-in text (but leaves it in the code requirements and the Workplan action language).	Pass, with verbal amendment
7 to S1	McDermott	A - 269	Removes language in Att A that calls for a performance audit of the restructured subarea planning program.	Fail
