Total	10,600	10,070	10,600	11,130	
King County UGA Total	429,300	405,498	422,713	439,948	

* Final targets tables will show allocation of Urban unincorporated area jobs to PAAs.
** Target ranges shown in this table apply to the city limits in the base year 2006. Subsequent to 2006, the cities of Auburn, Issaquah, and Renton annexed significant territory. As an adjustment to reflect this fact, final targets will shift some employment growth from unincorporated Urban KC to incorporated areas.
