

# Community Health Worker Asthma Training Program

**Thank you for your patience, we will begin shortly!**

## Learning collaborative #4

June 29<sup>th</sup>, 2020

# Welcome

- ▶ This is the 4<sup>th</sup> Learning Collaborative, a place for all who have attended our trainings to participate and engage with their peers and the PHSKC CHW training team
- ▶ If you would like Spanish translation please enter your name/phone # in that chat box

# Welcome!

## Agenda

### 1. Introductions

- ▶ PHSKC Team
- ▶ King County CHWs & Supervisors
- ▶ Southwest WA CHWs & Supervisors

### 2. Quick Project Updates

### 3. COVID19 Action Plan Review

### 4. Poll Time & Next Steps

# Project Updates

- ▶ Invitation to participate in Training Evaluation
- ▶ PCORI COVID19 Project Enhancement Funding
  - ▶ **Enhancement 1** Supports a transition from asthma protocols delivered via CHW home-visits to phone/video visits.
  - ▶ **Enhancement 2** provides new video resources that support patients and their caregivers to supplement or substitute for these phone/video visits.
  - ▶ **Enhancement 3** prepares CHWs to be responsive to their patients facing new realities, fears, and needs by developing new protocols and resources.

# COVID19 Action Plan

- ▶ Live Document
- ▶ Suggestions on format and content is welcome!
- ▶ Poll time!

Thank you!
