CLERK'S ALERT

2014 Public Defender Certification Repository Number Announced

In 2014, the case number in which to file public defender certifications is **14-1-12051-2**.

Pursuant to the Standards for Indigent Defense Services, adopted by the Washington Supreme Court in 2012, these certifications are required for public defenders practicing in adult criminal and juvenile offender case types.

Attorneys are required to e-file the certificates. The Supreme Court certification form is available as an e-form in the Clerk's eFiling application with the appropriate case number already inserted. Per the standard, attorneys are to submit one certificate per quarter.

Access the Clerk's eFiling application via the Clerk's E-Filing News and Information web page (<http://www.kingcounty.gov/courts/Clerk/E-Filing.aspx>). Log in then select the "Use eForm Template" link, enter the case number, select the "Certification of Defense Counsel" New Form/Order Template, complete the template by entering your information via the Data Entry tab, save the document and complete the e-filing process
