IMPORTANT:

Agreed proposed orders eligible for this service sent to the Court via e-mail or E-Working Copies will not be accepted. Orders which are to be permitted/required to be submitted Ex Parte via the Clerk (e.g. Final Decree without Children) pursuant to LCR 40.1 **must** continue to use that mechanism. The Court may, at its discretion, require a telephonic appearance for any submission. Parties may receive a Rejection Notice directing them to arrange such an appearance. All other provisions of LFLR 5 regarding submission of such orders remain in effect (specifically, the Court will continue to

require an Attorney's Certificate of Compliance for all Final Decrees, including proposed modifications which will result in entry of a subsequent Final Parenting Plan).

Proposed final orders in cases involving pro se litigants shall be reviewed and processed by the Facilitator's Office according to the instructions on their website located at: <https://kingcounty.gov/courts/superior-court/family/facilitator>.

Please visit the Ex Parte Department website for additional information and instructions: <https://www.kingcounty.gov/courts/superior-court/ex-parte-probate>.
