

# Visiting the King County Clerk's Office in person? Here is what you need to know:

**Social Distancing:** Maintain a distance of at least six feet (about two arm's length from other people.) There are ground markings in some areas to help maintain the safety distance.

**Face Coverings Required:** All customers entering the court building must wear a face-covering, unless one cannot be worn due to a medical condition. If you do not have a face covering, one will be provided.

**Health and Safety:** We ask all customers and employees to stay home if they feel sick or have a fever, shortness of breath, cough, or any other signs of illness.

**In-Person Service Changes:** The Clerk's office continues to provide excellent services to customers. As part of the safety and health measures being taken, a limited number of customers will be allowed into the office at a time, which may result in longer than usual wait times for customers to be helped by our customer service team.
