I. Findings

The Court, having reviewed the petition, the relevant court records, and testimony, if any, and makes the following findings:

Basis to Grant Relief from Registration

A. Adjudication In Juvenile Court - RCW 9A.44.143:

- Class "A" Felony at Age 15 or Older:** The petitioner was required to register for class "A" felony sex or kidnapping offense(s) committed when the petitioner was 15 years of age or older, and:
- at least 60 months (5 years) have passed since petitioner's adjudication and release from confinement, whichever is later, and he or she has not been adjudicated or convicted of a sex offense, a kidnapping offense, or for failure to register during that time;
 - is not otherwise prohibited by any provision in RCW 9A.44.143 from being relieved of his or her duty to register within the state of Washington;
 - has proven by at least a preponderance of evidence that he or she is sufficiently rehabilitated to warrant removal from the central registry of sex and kidnapping offenders.
- Class "A" Felony Under Age 15 or Any Other Type:** The petitioner was required to register for class "A" felony sex or kidnapping offense(s) committed when the petitioner was 14 years old or younger; or, sex or kidnapping offense(s), other than a class "A" felony offense, committed when the petitioner was 17 years of age or younger, and:
- at least 24 months (2 years) have passed since petitioner's adjudication and release from confinement, whichever is later, and he or she has not been adjudicated or

convicted of a sex offense, a kidnapping offense, or for failure to register during that time;

- is not otherwise prohibited by any provision in RCW 9A.44.143 from being relieved of his or her duty to register within the state of Washington;
- has proven by at least a preponderance of evidence that he or she is sufficiently rehabilitated to warrant removal from the central registry of sex and kidnapping offenders.

Basis to Grant Exemption from Community Notification

- Exemption from Community Notification Requirements:** The petitioner is not eligible to be relieved from the duty to register. The petitioner has been in the community without being convicted of a disqualifying offense for 15 years after the later of the entry of the judgment and sentence or the last date of release from confinement, including full-time residential treatment, pursuant to the conviction. The petitioner should be exempted from any community notification requirements to which he or she is subject.

Basis to Deny Petition

- The petitioner is not eligible for the relief requested because:

II. Order

- The petition is denied.
- The petitioner is relieved of his or her duty to register in the state of Washington as a sex offender kidnapping offender under RCW 9A.44.130.
- The petitioner is exempt from any community notification requirements to which he or she may be subject in the state of Washington.
