Agenda	Discussion	Action Items
<p>Icebreaker</p>	<p>What would you like to see changed in our system:</p> <ul style="list-style-type: none"> • More behavioral health in –home services • Actual change • More/stronger FYSPRT voice across all regions • More parent resources to decrease childhood trauma • Interactive services (not just in-office model of service delivery) • Peer support services outside the City of Seattle • No wrong door access to services (no secret doors or wait lists either) • More education with medical & behavioral health professionals regarding communities of color and why they might hesitate to access the system • More understanding of special education behavioral health • More evidence-based classes/therapy for kids BEFORE they get in trouble 	
<p>Approve November minutes</p>	<p>The minutes were not available to approve. Follow-up from November:</p> <ul style="list-style-type: none"> • Reminder that anyone who is willing to commit to attending meetings for a year may sign up to become a member when they attend a meeting. Anyone who does not attend 2 consecutive meetings without communicating, will automatically be dropped from membership. • Janice reported that the Challenge & Submission form was intimidating and too challenging to complete. 	<ul style="list-style-type: none"> • Tri-chairs bring minutes next meeting. • Tri-chairs document membership process statement based on November discussion. • Peggy to submit a Challenge & solutions form about Challenges and Solution form improvements. • Peggy will work with Janice to develop a CCORS Challenge &

		Solutions form from our November family report
Sandy Tomlin: WISE quarterly update	<ul style="list-style-type: none"> • Sandy presented quarterly WISE data. • The enrollment numbers are creeping up, however, the wait list is still 1-2 months. • Current capacity is 285 families, with a goal of 504. • The County has received permission to add local training to increase the speed of providers' onboarding. • Total facilitator goal: 70 • Each agency sets their own education/experience qualifications for facilitators and the pay also varies by agency. • WISE partnered with BRS (i.e. group care facilities at Ryther) as a pilot to deliver WISE to a group that had not previously qualify for services. (However, to get BRS you need to be screen for WISE.) • In 2019, KC will be rolling out "no wrong door" intake process. By the end of March, all WISE providers will be able to screen for WISE. County screening will continue. • Provided CLIP process document • Intensive in-home services include case aid support provided by many sources and determined by medical necessity. • The KC Customer Service line for concerns, complaints and troubleshooting about WISE services is 1-800-790-8049 or 206-263-8997 (M-F, 8-5) • The County does not have any plans to outreach to immigrant and refugee populations and would like our help in developing an outreach plan. • Sandy reported that WISE is working for non-verbal/autistic children because it is individualized. However ABA has a 2 year wait list so there is still a question about WISE overall effectiveness. 	<ul style="list-style-type: none"> • Abby at DDA invited Sandy to give a presentation about WISE to DDA providers • Tri-chairs will share CLIP process document with the State FYSPRT. • Sandy to follow-up with Crisis Clinic concerning CCORS referral process. • LaTonya will add the phone number to the upcoming newsletter • Tri-chairs to discuss next steps of Immigrant/Refugee outreach

<p>Safety Plan</p>	<p>Peggy reported that another FYSPRT had a member with a violent outburst recently and recommended that we consider our own crisis plan. Our plan component include:</p> <ul style="list-style-type: none"> • Meeting agreements • Noticing when people are deviating from group norms and address their concerns • Gabe/Lacey will coordinate with Sound staff concerning our meeting being included in the emergency plan for the building • We agree to clear the room and not attempt to engage if a person escalates to violence. • Convener will alert 911 and provide support to the dysregulated individual if she feels safe to do that 	<ul style="list-style-type: none"> • Gabe/Lacey follow-up with Sound • Publish safety plan for manual
